**Getting Acquainted with the Trees** J. Horace McFarland, 2019-12-02 In *Getting Acquainted with the Trees* J Horace McFarland presents an enriching journey into the world of trees combining meticulous observation with a lyrical prose style reminiscent of naturalists of his era McFarland a significant figure in the early 20th century conservation movement meticulously catalogs various tree species detailing their unique characteristics habitats and ecological significance His work not only serves as a foundational text in dendrology but also reflects a broader cultural shift towards environmental appreciation and preservation during the Progressive Era making this book a vital historical document as well as a practical guide J Horace McFarland was not only an author but also an ardent advocate for nature conservation serving as the president of the American Civic Association His personal experiences in horticulture and his passion for the natural world infuse the book with authenticity and depth McFarland s dedication to promoting the beauty and importance of trees was influenced by his understanding of nature s fragility which propels his urgent call for conservation and sustainable practices *Getting Acquainted with the Trees* is an indispensable read for anyone interested in botany conservation or the interconnectedness of nature and human life McFarland s engaging narrative seamlessly integrates scientific knowledge with evocative descriptions inviting readers to deepen their connection to the natural world Whether a seasoned tree enthusiast or an eager newcomer this book will inspire a newfound appreciation for the silent giants that grace our landscapes

**The Art of Gothic Living** Paul Gambino, 2024-08-20 From a spirit haunted church in Western Ohio to an ancient Italian castle from a freakish funhouse on the Jersey shore to a Connecticut cottage with a storybook facade that belies its spine tingling contents this collection of aspirational interiors will appeal to anyone who wishes to live in the luxury of Gothic darkness without sacrificing even an ounce of style *The Art of Gothic Living* profiles 15 homes and their owners chronicling their journeys to creating living spaces that reflect a philosophy steeped in the tenets of Gothic subculture individuality creativity and a fascination with life s shadow side The ways in which this manifests in bedrooms bathrooms kitchens and living rooms is as diverse as the homeowners in author Paul Gambino s intriguing book How does one showcase a collection of medical models and religious iconography in a way that emphasizes its beauty and allows space for entertaining How can a homeowner make the ghosts that linger in the halls a feature not a bug This

engaging beautifully designed treasure trove of dark delights answers plenty of the most practical questions while inspiring readers to new heights of decorative expression as they envision a Gothic home for themselves wherever they may reside

*Great Soul of Siberia* Sooyong Park, 2015 In *The Great Soul of Siberia* renowned tiger researcher Sooyong Park tracks three generations of Siberian tigers living in remote southeastern Russia Reminiscent of the way Timothy Treadwell the so called Grizzly Man immersed himself in the lives of bears Park sets up underground bunkers to observe the tigers living thrillingly close to these beautiful but dangerous apex predators At the same time he draws from twenty years of experience and research to focus on the Siberian tigers losing battle against poaching and diminishing habitat Over the two years of his harrowing stakeout Park's poignant and poetic observations of the tigers draw a fiercely compassionate portrait of these elusive endangered creatures

**New York Magazine**, 1976-11-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

From a Dark Place Louis Charbonneau, 2014-04-16 Some wounds never heal Jenny Vaughn loved Roy Landell since they were kids so their engagement should have been a joyful celebration But Jenny barely recognizes the man in front of her It's more than his appearance ragged and gaunt it's the deep darkness behind his eyes and his new obsession with his lost war dog Roy didn't have an easy childhood haunted by the rumors surrounding his mother's suspicious death So after his brutal tour in Vietnam Roy's return to Mt Washington Ohio is anything but happy Except for his reunion with Bluka the vicious German Shepherd who saved Roy's life during battle Fiercely loyal to Roy Bluka is hostile toward anyone who comes near the battered Landell house including Jenny Before long the town is talking again Neighborhood pets and innocent people are getting hurt even killed under mysterious circumstances Is it coincidence is the aggressive war dog to blame or is some darker force from Roy's past at work To clear Roy's name and save their future Jenny must find out even if it means using herself as bait

**A World History of Railway Cultures, 1830-1930** Matthew Esposito, 2021-08-29 A World History of Railway Cultures 1830-1930 is the first collection of primary sources to historicize the cultural impact of railways on a global scale from their inception in Great Britain to the Great Depression Its dual purpose is to promote understanding of complex historical processes leading to globalization and generate interest in transnational and global comparative research on railways In four volumes organized by historical geography this scholarly

collection gathers rare out of print published and unpublished materials from archival and digital repositories throughout the world It adopts a capsule approach that focuses on short selections of significant primary source content instead of redundant and irrelevant materials found in online data collections The current collection draws attention to railway cultures through railroad reports parliamentary papers government documents police reports public health records engineering reports technical papers medical surveys memoirs diaries travel narratives ethnographies newspaper articles editorials pamphlets broadsides paintings cartoons engravings photographs art ephemera and passages from novels and poetry collections that shed light on the cultural history of railways The editor s original essays and headnotes on the cultural politics of railways introduce over 200 carefully selected primary sources Students and researchers come to understand railways not as applied technological impositions of industrial capitalism but powerful fluid and idiosyncratic historical constructs

**No Place on Earth** Louis Charbonneau, 2014-04-28 Some men weren t born to follow In the 23rd Century science s triumph in prolonging life comes at a terrible cost Widespread famine and overpopulation spurred the creation of the Leader Party a Malthusian inspired dictatorship that controls the world with a ceaseless grip Though a mysterious rebel group The Underground works to dismantle the police state they ve been dealt a potentially fatal blow a traitor has infiltrated their ranks Now the success of a crucial operation and perhaps the entire resistance lies in the hands of one captured rebel Petr Clayborne Raised by the state after his father was executed for treason Petr never loved the Leader Party But unlike his dad he didn t see any point in opposing it That all changed when he found out he and his wife Alda would soon have a son of their own Under the Population Code unsanctioned birth is a crime punishable by death for the parents and the child Captain Kurt Hartog the Population Control Corps most ruthless leader will stop at nothing to crush The Underground His brutal interrogation threatens Petr s sanity and his life But Petr guards the rebellion s most powerful secret For the sake of humanity for the sake of his son he must be willing to do anything to protect it

[Our Vanishing Wild Life](#) William Temple Hornaday, 1913 William Temple Hornaday was the Director of the New York Zoological Society and the nation s leading advocate of wildlife conservation in this era This unsparing manifesto was written to accompany Hornaday s launching of the Permanent Wildlife Protection Fund it is thus in the words of the historian Stephen Fox both a campaign tract and one of the first books wholly devoted to endangered wild animals John Muir and His Legacy The American Conservation Movement Boston Little Brown and Company 1981 p 149 It is also a landmark of conservation history which had a profound effect on the thought of Aldo Leopold among others The book surveys the history and causes of wildlife destruction in America and elsewhere and sets forth a lengthy program to ensure the protection of remaining wildlife for the future often in militant and moralistic terms The work also throws light on some of the complexities inherent in the conservation movement at this time for example Hornaday accepts the classification of certain bird and mammalian predators as noxious or vermin and appropriate for destruction pp 77 81 there is no criticism here of the massive campaign for the extermination of wolves and

coyotes being sponsored at the time by the Bureau of Biological Survey On a more general level Hornaday's fulminations against Italian immigrants as incorrigible bird killers suggest a connection between nativism and conservationism while his excoriations of market hunters set forth a deeply rooted class bias shared by many leading conservationists Trespassing John Hanson Mitchell, 2015-04-22 Trespassing a thoughtful beautifully written addition to environmental and regional literature Kirkus Reviews is a historical survey of the evolution of private ownership of land concentrating on the various land uses of a 500 acre tract of land over a 350 year period What began as wild land controlled periodically by various Native American tribes became British crown land after 1654 then private property under US law and finally common land again in the late twentieth century Mitchell considers every aspect of the important issue of land ownership and explores how our attitudes toward land have changed over the centuries *Our Vanishing Wild Life: Its Extermination and Preservation* William T. Hornaday, 2019-11-20 In *Our Vanishing Wild Life: Its Extermination and Preservation* William T. Hornaday presents a compelling examination of the rapid decline of North America's wildlife during the early 20th century Utilizing a meticulous blend of scientific observation passionate advocacy and vivid prose Hornaday brings to light the harrowing consequences of human encroachment and ecological mismanagement The book serves as both a cautionary tale and a rallying cry highlighting the importance of conservation in a changing world His arguments are rooted in the burgeoning environmental movement of his time framing wildlife preservation as a moral imperative for humanity William T. Hornaday an eminent zoologist and conservationist played a significant role in shaping modern wildlife preservation efforts As the director of the New York Zoo and an early advocate for the establishment of national parks his firsthand experience with wildlife and its threats lent him the authority and urgency to advocate for its protection Hornaday's passionate writing stems from deep personal convictions about humanity's responsibility toward nature stemming from his extensive fieldwork and observations This essential reading is highly recommended for environmentalists historians and anyone interested in wildlife conservation Hornaday's timely insights remain relevant today urging readers to reflect on their role in protecting the natural world A blend of impassioned storytelling and scientific inquiry *Our Vanishing Wild Life* is both a historical document and a manifesto for the future
