Magruder's American Government 1981:

Magruder's American Government, 1981 William A. McClenaghan, 1981 **Magruder's American Government 1988**
William A. McClenaghan, 1988 The Code of Hammurabi Jeanne Breazeale, Jack Sholl, 2013-09 This case study shows that a widely used U S Government high school textbook puts an ancient King of Babylon on the same level as American founding fathers George Washington Thomas Jefferson and John Adams The research study finds that the assertion that the Hammurabi Code is an underlying document of the United States as millions of American high school students are being taught today is not correct The U S Declaration of Independence the U S Constitution and the Bill of Rights are the founding documents of the United States The study challenges the claim by both legalists and religionists to the presumed importance of this ancient code to the foundations of American government now and in the past It warns that historical revisionism of this type poses a threat to U S national security at a time when American values are being challenged abroad especially in the Middle East It finds no overall uniform oversight or coordination of parties at all levels involved in high school textbook content The present system for fully reviewing textbooks and curricula a combination of publishers school boards issue blind teachers and academics government and national security agencies is not working Unless corrected the foundations of freedom and democracy and the Judeo Christian spiritual values upon which they are built will continue to be seriously eroded in the nation s high schools Magruder's American Government, 1976 **Magruder's American Government**
Frank Abbott Magruder, William A. McClenaghan, 1961 **Magruder's American Government** William A. McClenaghan, 1986 **Law Books, 1876-1981** R.R. Bowker Company, 1981 *American Government Leaders* Harris M. Lentz III, 2013-04-25 This book provides a single source of biographical information for the thousands of individuals who have held high elective and appointive offices in the federal state and municipal governments The first half of the book lists positions in the government with a chronological record of the persons who have held the positions and the duration of their terms of office Executive branch listings include the presidents first ladies vice presidents cabinet members deputy and undersecretaries of cabinet departments directors and administrators of high government agencies high ranking military officials ambassadors and high ranking presidential staff and White House aides In the judiciary the chief justice of the United States and members of the Supreme Court the U S Court of Appeals and U S District Courts are listed Legislative listings include presidents of the Continental Congresses speakers of the House of Representatives presidents pro tempore of the Senate majority and minority leaders in both houses of Congress members of Congress territorial delegates resident commissioners governors and lieutenant governors Next are sections on state and territorial governments listing governors and lieutenant governors and city governments listing mayors of over 150 cities The second half of the book is a biographical index of individuals found in the earlier sections listed in alphabetical order The entries contain dates of birth and death when known political party or affiliation state or states of significance to the officeholder and listing of offices held

Diagrams in Civic Education Janne Holmén, Ann-Sofie Jägerskog, Daniel Schumann, Malin Tväråna, 2024-08-28 This book presents the findings of three studies on the use of diagrams in civic education The first study presents an international comparison of textbook diagrams promoting national unity in diversity with examples from ten countries The second focuses on the depiction of migration in diagrammatic form in German textbooks The final study was conducted in collaboration with teachers in Swedish social science classrooms and focuses on teaching comprehension of flow charts and scatterplots The book will be of interest to scholars of educational media didactics the history of education and citizenship education
