Mahars Of Pellucidar:

Mahars of Pellucidar Collector's Edition John Eric Holmes, 2022-08-09 Mahars of Pellucidar (Edgar Rice Burroughs Universe) John Eric Holmes, Joe R. Lansdale, 2022-08-09 This definitive edition of Mahars of Pellucidar includes a new foreword and frontispiece by the author's son Christopher West Holmes as well as a bonus novelette by best selling author Joe R Lansdale Hap Leonard The Science Fiction of Poetics and the Avant-Garde Imagination Michael Golston, 2023-11-19 How the tropes of science fiction infuse and inform avant garde poetics and many other kindred arts This insightful playful monograph from Golston does exactly what it advertises modeling poetics based on how poetry and some parallel artistic endeavors has filtered through a century plus of science fiction. This is not a book about science fiction in and of itself but it is a book about the resonances of science fiction tropes and ideas in poetic language The germ of Golston s project is a throwaway line in Robert Smithson's Entropy and the New Monuments about how cinema supplanted nature as inspiration for many of his fellow artists The movies give a ritual pattern to the lives of many artists and this induces a kind of low budget mysticism which keeps them in a perpetual trance Golston charts how the demotic appeal of sci fi much like that of the B movie cross pollinated into poetry and other branches of the avant garde Golston creates what he calls a regular Rube Goldberg machine of a critical apparatus drawing on Walter Benjamin Roman Jakobson and Gilles Deleuze He starts by acknowledging that per the important work of Darko Suvin to situate science fiction critically the genre is premised on cognitive estrangement But he is not interested in the specific nuts and bolts of science fiction as it exists but rather how science fiction has created a model not only for other poets but also for musicians and landscape artists Golston's critical lens moves around quite a bit but he begins with familiar enough subjects Edgar Rice Burroughs Mina Loy William S Burroughs From there he moves into more alien terrain Ed Dorn's long poem Gunslinger the discombobulated work of Clark Coolidge Sun Ra Ornette Coleman and Jimi Hendrix all come under consideration The result of Golston's restless rich scholarship is the first substantial monograph on science fiction and avant garde poetics using Russian Formalism Frankfurt School dialectics and Deleuzian theory to show how the avant garde inherently follows the parameters of sci fi in both theme and Subterranean Worlds Peter Fitting, 2004-12-15 Exploring the hollow earth from the 17th century to the present The form bizarre idea that the earth's interior is hollow and perhaps even populated has been put to effective literary use by writers ranging from Edgar Allen Poe and Jules Verne to Rudy Rucker and Edgar Rice Burroughs This notion had respectability as a scientific hypothesis until the early 1800s and the theory that the earth is hollow and inhabitable within continues to find believers as an alternative description of the earth to this day The hollow earth is one of the most important settings in the literature of the imagination that fed into early science fiction Subterranean Worlds presents a fascinating look at the theme of the hollow earth and its history as well as the geological theories which produced many of these stories It excerpts key passages from the major subterranean world fictions some translated into English for the first time With helpful
