Lives of Mahomet and His Successors Washington Irving,1850 Mahomet and His Successors Washington Irving,1869

Lives of Mahomet and His Successors.by Washington Irving,2016-09-04 According to Mohammed the one true religion was revealed to five great prophets before him Adam Noah Abraham Moses and Jesus But each time their message was ignored and people chose to worship false gods instead As the last and greatest prophet of the one and only God it was his task to abolish all idolatry For many years his mission seemed hopeless As long as he remained in Mecca he made few converts and had to endure dangers and persecution But when the city of Medina offered him sanctuary his small band of followers rapidly multiplied Mohammed now led his armies out to do battle in the desert spreading his religion at the point of the sword **Mahomet and His Successors** Washington Irving,1900 Lives of Mahomet and His Successors.

is the most convenient One great matter is that the loch fisher is depend ent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing
