### **Maids And Mistresses Cousins And Queens Womens Alliances In Early Modern England:**

*Maids and Mistresses, Cousins and Queens* Susan Frye, Karen Robertson, 1999-01-28 This new collection of sixteen essays considers evidence for the varied forms of women's alliances in early modern England. It shows how women prohibited from direct participation in the institutional structures that shaped the lives of men constructed informal connections with other females for purposes of survival, advancement and creativity. The essays presented here consider a variety of communities formed among groups as diverse as serving women, vagrants, aristocrats and authors in order to study the historical traces of women's connections. Alliance as understood by the essayists in this volume does not preclude competition or antagonism since the bonds among women were frequently determined by an opposition to other women. As shown here, the theorizing of women's connections and the recovery of the historical evidence for these connections can only add to our understanding of women's activities in early modern English society. *Maids and Mistresses, Cousins and Queens* is divided into four sections. The first two, *Alliances in the City* and *Alliances in the Household*, examine the circumstances of women's communities in two primary sites for women of this place and time. The second two, *Materializing Communities* and *Emerging Alliances*, fully study the aspirations that guided and transformed the courses of women's lives. All of these interdisciplinary essays deftly combining literary and historical methods and materials are informed by feminism, queer theory and studies of class and race in the early modern period.

*Maids and Mistresses, Cousins and Queens* Susan Frye, Karen Robertson, 2023 *Maids and Mistresses, Cousins and Queens* Susan Frye, Karen Robertson, 1999-10-01 This collection of 16 essays considers evidence for the array of women's alliances in early modern England. The inclusions range over a variety of communities, cities, households and court and consider classes of women from vagabonds to queens to explore the traces of women's connections. These interdisciplinary essays combining literary and historical methods and materials are informed by feminism, queer theory and studies of race in the early modern period.

**Women and Gender in Early Modern Europe** Merry E. Wiesner, 2000-07-03 This is a major new textbook designed for students in all disciplines seeking an introduction to the very latest research on all aspects of women's lives in Europe from 1500 to 1750 and on the development of the notions of masculinity and femininity. The coverage is geographically broad, ranging from Spain to Scandinavia and from Russia to Ireland, and the topics investigated include the female life cycle, literacy, women's economic role, sexuality, artistic creations, female piety and witchcraft and the relationship between gender and power. To aid students, each chapter contains extensive notes on further reading but few footnotes, and the approach throughout is designed to render the subject in as accessible and stimulating a manner as possible. *Women and Gender in Early Modern Europe* is suitable for usage on numerous courses in women's history, early modern European history and comparative history.

**Household Servants in Early Modern Domestic Tragedy** Iman Sheeha, 2020-05-14 *Household Servants in Early Modern Domestic Tragedy* considerably advances existing scholarship on the institution of service in early modern culture and as represented on the early modern stage. With its focus

on the homes of the middling sorts to whom the protagonists of domestic tragedy belong the book expands our understanding of employer servant relationships beyond elite and aristocratic circles the focus of previous studies Drawing on early modern advice literature household guides domestic manuals sermons treatises proverbs mothers legacies funeral sermons diaries letters and jest books as well as making use of the recent findings by social and cultural historians of early modern England the book examines the consequences of disordered domesticity for the master servant relationship This study nuances the picture of domestic servants constructed by both early modern moralists and modern scholarship arguing against overarching reductive narratives The book argues that the experience of household service as depicted in domestic tragedy like in real life was complex and varied and that there was no typical experience of service

*Working Women in English Society, 1300-1620* Marjorie Keniston McIntosh, 2005-06-02 This study explores the diverse and changing ways in which English women participated in the market economy between 1300 and 1620 Marjorie Keniston McIntosh assesses women's activity by examining their engagement in the production and sale of goods service work credit relationships and leasing of property Using substantial evidence from equity court petitions and microhistorical studies of five market centres she challenges both traditional views of a golden age for women's work and more recent critiques She argues that the level of women's participation in the market economy fluctuated considerably during this period under the pressure of demographic economic social and cultural change Although women always faced gender based handicaps some of them enjoyed wider opportunities during the generations following the plague of 1348-9 By the late sixteenth century however these opportunities had largely disappeared and their work was concentrated at the bottom of the economic system

Women's Work in Early Modern English Literature and Culture Michelle M. Dowd, 2009-04-13 Dowd investigates literature's engagement with the gendered conflicts of early modern England by examining the narratives that seventeenth century dramatists created to describe the lives of working women

**Early Modern Women and Transnational Communities of Letters** Julie D. Campbell, Anne R. Larsen, 2009 Offering a comparative and international approach to early modern women's writing the essays gathered here focus on multiple literatures across Italy France England and the Low Countries Individual essays investigate women in diverse social classes and life stages ranging from siblings and mothers to nuns to celebrated writers The collection overall is invested in crossing geographic linguistic political and religious borders and in exploring familial political and religious communities

**The Complete Poems** Gaspara Stampa, 2010-10-15 Gaspara Stampa 1523-1554 is one of the finest female poets ever to write in Italian Although she was lauded for her singing during her lifetime her success and critical reputation as a poet emerged only after her verse was republished in the early eighteenth century Her poetry runs the gamut of human emotion ranging from ecstasy over a consummated love affair to despair at its end While these tormented works and their multiple male addressees have led to speculation that Stampa may have been one of Venice's famous courtesans they can also be read as a rebuttal of typical assumptions about women's roles

Championed by Rainer Maria Rilke among others she has more recently been celebrated by feminist scholars for her distinctive and original voice and her challenge to convention The first complete translation of Stampa into English this volume collects all of her passionate and lyrical verse It is also the first modern critical edition of her poems and in restoring the original sequence of the 1554 text it allows readers the opportunity to encounter Stampa as she intended Jane Tylus renders Stampa's verse in precise and graceful English translations allowing a new generation of students and scholars of poetry Renaissance literature and music history to rediscover this incipiently modern Italian poet *Church Mother* Katharina Schütz Zell, 2007-11-01 Imbued with character and independence strength and articulateness humor and conviction abundant biblical knowledge and intense compassion Katharina Schütz Zell 1498-1562 was an outspoken religious reformer in sixteenth century Germany who campaigned for the right of clergy to marry and the responsibility of lay people women as well as men to proclaim the Gospel As one of the first and most daring models of the pastor's wife in the Protestant Reformation Schütz Zell demonstrated that she could be an equal partner in marriage she was for many years a respected if unofficial mother of the established church of Strasbourg in an age when ecclesiastical leadership was dominated by men Though a commoner Schütz Zell participated actively in public life and wrote prolifically including letters of consolation devotional writings biblical meditations catechetical instructions a sermon and lengthy polemical exchanges with male theologians The complete translations of her extant publications except for her longest are collected here in *Church Mother* offering modern readers a rare opportunity to understand the important work of women in the formation of the early Protestant church *Zayde* Marie-Madeleine Lafayette, 2007-11-01 Standing at the critical juncture between traditional romance and early novelistic realism *Zayde* is both the swan song of a literary tradition nearly two thousand years old and a harbinger of the modern psychological novel *Zayde* unfolds during the long medieval struggle between Christians and Muslims for control of the Iberian Peninsula Madame de Lafayette 1634-93 takes the reader on a Mediterranean tour typical of classical and seventeenth century romances from Catalonia to Cyprus and back again with battles prophecies and shipwrecks dotting the crisscrossed paths of the book's noble lovers But where romance was long and episodic *Zayde* possesses a magisterial architecture of suspense Chaste and faithful heroines and heroes are replaced here by characters who are consumed by jealousy and unable to love happily And unlike in traditional romance the reader is no longer simply expected to admire deeds of bravery and virtue but instead is caught up in intense first person testimony on the psychology of desire Unavailable in English for more than two centuries *Zayde* reemerges here in Nicholas Paige's accessible and vibrant translation as a worthy representative of a once popular genre and will be welcomed by readers of French literature and students of the European novelistic tradition **Bess of Hardwick** Lisa Hopkins, 2019-01-09 Born the daughter of a country squire Bess of Hardwick made four marriages which brought her wealth and status She built and furnished houses and founded a dynasty which included a granddaughter Arbella Stuart who had a claim to the thrones of both England and

Scotland      **Shakespeare and Feminist Theory** Marianne Novy, 2017-09-21 Are Shakespeare's plays dramatizations of patriarchy or representations of assertive and eloquent women Or are they sometimes both And is it relevant and if so how that his women were first played by boys This book shows how many kinds of feminist theory help analyze the dynamics of Shakespeare's plays Both feminist theory and the plays deal with issues such as likeness and difference between the sexes the complexity of relationships between women the liberating possibilities of desire what marriage means and how much women can remake it how women can use and expand their culture's ideas of motherhood and of women's work and how women can have power through language This lively exploration of these and related issues is an ideal introduction to the field of feminist readings of Shakespeare      *Complete Poetry and Prose* Louise Labé, 2007-11-01 Thanks to her acclaimed volume of poetry and prose published in France in 1555 Louise Labé 1522-66 remains one of the most important and influential women writers of the Continental Renaissance Best known for her exquisite collection of love sonnets Labé played off the Petrarchan male tradition with wit and irony and her elegies respond with lyric skill to predecessors such as Sappho and Ovid The first complete bilingual edition of this singular and broad-ranging female author *Complete Poetry and Prose* also features the only translations of Labé's sonnets to follow the exacting rhyme patterns of the originals and the first rhymed translation of Labé's elegies in their entirety      Debate of the Romance of the Rose Christine de Pizan, 2010-04-15 In 1401 Christine de Pizan 1365-1430 one of the most renowned and prolific woman writers of the Middle Ages wrote a letter to the provost of Lille criticizing the highly popular and widely read *Romance of the Rose* for its blatant and unwarranted misogynistic depictions of women The debate that ensued over not only the merits of the treatise but also of the place of women in society started Europe on the long path to gender parity Pizan's criticism sparked a continent-wide discussion of issues that is still alive today in disputes about art and morality especially the civic responsibility of a writer or artist for the works he or she produces In *Debate of the Romance of the Rose* David Hult collects along with the debate documents themselves letters sermons and excerpts from other works of Pizan including one from *City of Ladies* her major defense of women and their rights that give context to this debate Here Pizan's supporters and detractors are heard alongside her own formidable protofeminist voice The resulting volume affords a rare look at the way people read and thought about literature in the period immediately preceding the era of print      Memoirs of the Life of Henriette-Sylvie de Molière Madame de Villedieu, 2007-11-01 Known as Madame de Villedieu Marie Catherine Desjardins ca 1640-83 was a prolific writer who played an important role in the evolution of the early modern French novel One of the earliest women to write for a living she defied cultural convention by becoming an innovator and appealing to popular tastes through fiction drama and poetry *Memoirs of the Life of Henriette Sylvie de Molière* a semi-autobiographical novel portrays an enterprising woman who writes the story of her life a complex tale that runs counter to social expectations and novelistic conventions A striking work the story skillfully mixes real events from the author's life with fictional adventures At a time when few women published Villedieu's *Memoirs* is

a significant achievement in creating a voice for the early modern woman writer Produced while the French novel form was still in its infancy it should be welcomed by any scholar of women s writing or the early development of the novel     **The Shakespearean International Yearbook: Where are We Now in Shakespearean Studies?** John. M Mucciolo,William R Elton,2017-11-22 This title was first published in 2002 This second volume of The Shakespearean International Yearbook continues the work of assessing the present state of Shakespeare studies in the new millennium Comprising 20 essays by distinguished scholars from North America the UK and Australia it is divided into sections on criticism and theory text textuality and technology Renaissance ideas and conventions and Shakespeare and the city The essays address issues that are fundamental to our interpretive encounter with Shakespeare including those of gender and sexuality the staging of plays and historical research on matters such as the monarchy language religion and the law     **The Story of Sapho** Madeleine de Scudery,2007-11-01 Ridiculed for her Saturday salon her long romance novels and her protofeminist ideas Madeleine de Scud ry 1607 1701 has not been treated kindly by the literary establishment Yet her multivolume novels were popular bestsellers in her time translated almost immediately into English German Italian Spanish and even Arabic The Story of Sapho makes available for the first time in modern English a self contained section from Scud ry s novel Artam ne ou le Grand Cyrus best known today as the favored reading material of the would be salonnieres that Moli re satirized in Les pr cieuses ridicules The Story tells of Sapho a woman writer modeled on the Greek Sappho who deems marriage slavery Interspersed in the love story of Sapho and Phaon are a series of conversations like those that took place in Scud ry s own salon in which Sapho and her circle discuss the nature of love the education of women writing and right conduct This edition also includes a translation of an oration or harangue of Scud ry s in which Sapho extols the talents and abilities of women in order to persuade them to write     *The Contest for Knowledge* Maria Gaetana Agnesi,Diamante Medaglia Faini,Aretafila Savini de' Rossi,Accademia de' Ricovrati,2007-11-01 At a time when women were generally excluded from scholarly discourse in the intellectual centers of Europe four extraordinary female letterate proved their parity as they lectured in prominent scientific and literary academies and published in respected journals During the Italian Enlightenment Maria Gaetana Agnesi Giuseppa Eleonora Barbapiccola Diamante Medaglia Faini and Aretafila Savini de Rossi were afforded unprecedented deference in academic debates and epitomized the increasing ability of women to influence public discourse The Contest for Knowledge reveals how these four women used the methods and themes of their male counterparts to add their voices to the vigorous and prolific debate over the education of women during the eighteenth century In the texts gathered here the women discuss the issues they themselves thought most urgent for the equality of women in Italian society specifically and in European culture more broadly Their thoughts on this important subject reveal how crucial the eighteenth century was in the long history of debates about women in the academy     Paternal Tyranny Arcangela Tarabotti,2007-11-01 Sharp witted and sharp tongued Arcangela Tarabotti 1604 52 yearned to be formally educated and

enjoy an independent life in Venetian literary circles But instead at sixteen her father forced her into a Benedictine convent To protest her confinement Tarabotti composed polemical works exposing the many injustices perpetrated against women of her day Paternal Tyranny the first of these works is a fiery but carefully argued manifesto against the oppression of women by the Venetian patriarchy Denouncing key misogynist texts of the era Tarabotti shows how despicable it was for Venice a republic that prided itself on its political liberties to deprive its women of rights accorded even to foreigners She accuses parents of treating convents as dumping grounds for disabled illegitimate or otherwise unwanted daughters Finally through compelling feminist readings of the Bible and other religious works Tarabotti demonstrates that women are clearly men's equals in God's eyes An avenging angel who dared to speak out for the rights of women nearly four centuries ago Arcangela Tarabotti can now finally be heard
