Investigating Simenon Russell Campbell,2022-10-04 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon s work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon s compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon s pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works **Simenon** Stanley G. Eskin,2025-03-05 The most comprehensive account of Georges Simenon s life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction including the largely ignored pulp fiction Simenon s relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e g with Josephine Baker cutting up in a bistro **Literary Afterlife** Bernard A. Allegories Alistair Rolls, John West-Sooby, Marie-Laure Vuaille-Barcan, 2019-04-15 This book explores the intersection of a number of academic areas of study that are all individually of growing importance translation studies crime fiction and world literature The scholars included here are leaders in one or more of these areas The frame of this volume is imagological its focus is on the ways in which national allegories are constructed and deconstructed encompassing descriptions of national characteristics as they play out at the level of the local or the individual as well as broader political analyses Its corpus crime fiction is shown to be a privileged site for writing the national narrative and often in ways that are more complex and dynamic than is suggested by the genre's much cited role as vehicle for a new realism Finally these two areas are

problematised through the lens of translation which is a crucial player in both the development of crime fiction and the formation rather than simply the interlingual transfer of national allegory In this volume national allegories and the crime novels in which they emerge are shown to be eminently versatile foundationally plural texts that promote critical rewriting as opposed to sites for fixing meaning This book was originally published as a special issue of *The Translator* **Crime Fiction and Film in the Southwest** Steve Glassman, Maurice J. O'Sullivan, 2001 When Joe Leaphorn and Jim Chee Tony Hillerman's oddly matched tribal police officers patrol the mesas and canyons of their Navajo reservation they join a rich tradition of Southwestern detectives In *Crime Fiction and Film in the Southwest* a group of literary critics tracks the mystery and crime novel from the Painted Desert to Death Valley and Salt Lake City In addition the book includes the first comprehensive bibliography of mysteries set in the Southwest and a chapter on Southwest film noir from Humphrey Bogart's tough hood in *The Petrified Forest* to Russell Crowe's hard-nosed cop in *L.A. Confidential* **Icons of Mystery and Crime Detection** Mitzi M. Brunsdale, 2010-07-26 This book provides an introduction to 24 iconic figures real and fictional that have shaped the detective mystery genre of popular literature *Icons of Mystery and Crime Detection: From Sleuths to Superheroes* is an insightful look at one of our most popular and diverse fictional genres providing a guided tour of mystery and crime writing by focusing on two dozen of the field's most enduring creations and creators *Icons of Mystery and Crime Detection* spans the history of the detective story with series of critical entries on the field's most evocative names from the originator of the form Edgar Allan Poe to its first popular running character Sherlock Holmes from the Golden Age of Sam Spade Philip Marlowe and Charlie Chan in fiction and films to small screen heroes such as Columbo and Jessica Fletcher Also included are other accomplished practitioners of the craft of mystery crime storytelling including Agatha Christie Tony Hillerman and Alfred Hitchcock **Georges Simenon Revisited** Lucille Frackman Becker, 1999 This book presents a brief biography of Georges Simenon's life and critical interpretation and discussion of his works **Major 20th-century Writers**, 1991 **New York Magazine**, 1981-01-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award-winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Mystery Fanfare** Michael L.
