Dearborn, 1999 As the biographer of both Henry Miller one of Mailer s heroes and the radical journalist Louise Bryant Dearborn is uniquely sensitive to Mailer s best and worst sides

examiner acknowledged there was no evidence of rape after a five week trial replete with conflicting testimony and accusations of crime scene contamination McCowen was condemned to three lifetime sentences with no parole Rarely has a homicide trial been refracted so clearly through the prism of those who engineered it Bestselling author and biographer Peter Manso dug deep into the case and the results were explosive The Cape DA indicted the author threatening him with fifty years in prison In this exhaustively researched and vividly accessible book Manso bares the anatomy of a horrific murder a botched investigation rife with bias and one of the most grossly unjust verdicts in modern trial history Page 4 of cove

Writer captures not just a beloved woman's life in full but a crucial span of American history Fire and Power William D. Atwill, 2010-10-01 In *Fire and Power* William D. Atwill maps the cultural contours of space age America through readings of some of the era's most popular and influential narratives Saul Bellow's *Mr Sammler's Planet* John Updike's *Rabbit Redux* Norman Mailer's *Of a Fire on the Moon* Tom Wolfe's *The Right Stuff* Thomas Pynchon's *Gravity's Rainbow* and Don DeLillo's *Ratner's Star* Together Atwill demonstrates these key texts comprise a literary history of the space age an exploration of the novel's possibilities in uncertain times and a disturbing critique of postwar society The massive technological enterprise known as the Manned Space Program was in Atwill's words the historical marker of our age and in our race to the moon he says Bellow Updike Mailer Wolfe Pynchon and DeLillo found a trope for the postmodern condition To these writers the space program was the most visible and outward sign of a radical shift in the culture that fostered it a shift from modernism's search for interior individual unity amidst chaos to the postmodern perception of the individual's fragmentation and uncertain standing in the world **Norman Podhoretz** Thomas L. Jeffers, 2010-06-14 This is the first biography of the Jewish American intellectual Norman Podhoretz longtime editor of the influential magazine *Commentary* As both an editor and a writer he spearheaded the countercultural revolution of the 1960s and after he broke ranks the neoconservative response For years he defined what was at stake in the struggle against communism recently he has nerved America for a new struggle against jihadist Islam always he has given substance to debates over the function of religion ethics and the arts in our society The turning point of his life occurred at the age of forty near a farmhouse in upstate New York in a mystic clarification It compelled him to unlearn much that he had earlier been taught to value and it also made him enemies Revealing the private as well as the public man Thomas L. Jeffers chronicles a heroically coherent life **Mailer's Last Days** J. Michael Lennon, 2022-11-01 This book of essays by Norman Mailer's biographer Dr J. Michael Lennon collect personal and literary reminiscences insights and investigations from the last half century Through the rising action of his life in literature Lennon's remembrances track the influence not only of his literary pater familias Norman Mailer but his actual father a booze bitten blue collar bibliophile with his own reputation for genius and how together these mentors forged and focused the 20/20 literary vision Lennon takes to the work of some of the greatest writers of the Twentieth Century from Baldwin and Bishop to Didion and DeLillo and not least Mailer himself *The Novels of William Styron: From Harmony to History* Gavin Cologne-Brookes, 1995 Civil Rights in the White Literary Imagination Jonathan W. Gray, 2013-02 The statement The Civil Rights Movement changed America though true has become something of a cliché Civil rights in the White Literary Imagination seeks to determine how exactly the Civil Rights Movement changed the literary possibilities of four iconic American writers Robert Penn Warren Norman Mailer Eudora Welty and William Styron Each of these writers published significant works prior to the *Brown v Board of Education* case in 1954 and the Montgomery Bus Boycott that began in December of the following year making it possible to trace their evolution in reaction to these events The work these writers

crafted in response to the upheaval of the day from Warren's *Who Speaks for the Negro* to Mailer's *The White Negro* to Welty's *Where Is the Voice Coming From* to Styron's *Confessions of Nat Turner* reveal much about their own feeling in the moment even as they contribute to the national conversation that centered on race and democracy. By examining these works closely, Gray posits the argument that these writers significantly shaped discourse on civil rights as the movement was occurring but did so in ways that intentionally or not often relied upon a notion of the relative innocence of the South with regard to racial affairs and on a construct of African Americans as politically and/or culturally naïve. As these writers grappled with race and the myth of southern nobility, their work developed in ways that were simultaneously sympathetic of and condescending to black intellectual thought occurring at the same time.

[Encyclopedia of the Essay](#) Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length. The more than 500 entries by 275 contributors include entries on nationalities, various categories of essays such as generic such as sermons, aphorisms, individual major works, notable writers, and periodicals that created a market for essays and particularly famous or significant essays. The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch, nationality, era, selected writings, list of additional readings, and anthologies.

[Liz](#) C. David Heymann, 2011-04-04 Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C. David Heymann brings her magnificently to life in this acclaimed biography updated with a new chapter covering her final years. She was an icon, one of the most watched, photographed, and gossiped about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress, and eight-time wife, mother of four children, and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons, Elizabeth Taylor for almost eight decades played most completely, beautifully, cunningly, flamboyantly, and scandalously her greatest role of all: herself. The basis of an Emmy Award-nominated miniseries, *Liz* portrays Taylor's life and career in fascinating, revealing detail and includes an additional new chapter bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates, and employees, and through extensive research among previously disclosed court, business, medical, and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments. Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner, and Larry Fortensky. Here too is the truth about Taylor's father and her friendships with leading men, Montgomery Clift, James Dean, and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues, and battles against drug and alcohol to her sexual exploits, diamond-studded adventures, and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star.
