Main Force Assault:

The Soviet Conduct of Tactical Maneuver David Glantz, 2013-11-05 First Published in 1991 This book addresses a critical aspect of Soviet maneuver theory that has been almost totally neglected in Western analysis specifically Soviet concern for tactical maneuver Since the 1930s the Soviets have consistently argued that operational maneuver can be successful only if conducted in conjunction with equally successful tactical maneuver carried out primarily by forward detachments Forward detachments the primary tactical maneuver forces tasked with performing critical combat functions emerged in theory in the 1930s and flourished on the basis of virtually untested concepts until the initial phases of Operation Barbarossa when the Soviet mobile force structure was destroyed in a matter of weeks Forward detachments again emerged after the Stalin grad Operation in 1943 when the Soviet General Staff required their use to spearhead all operations by mobile forces After mid 1943 forward detachments led the operations of all tank armies and tank and mechanized corps particularly during exploitation operations By war s end all forces mobile and rifle alike employed forward detachments to lead their operations during the exploitation stage of operations Forward detachments preempted enemy defenses and collectively formed a coordinated network of forward mobile units which provided coherence to the vast array of advancing Soviet mobile and rifle forces In the late 1960s the forward detachment received renewed attention as a critical element which could assist in the conduct of operational maneuver Today the Soviets believe that forward detachment operations are the key to conducting successful operations on a battlefield increasingly threatened by deadly high precision weaponry Tailored flexible battalion size forward detachments along with their operational counterparts corps and brigades may in fact be the model upon which the future Soviet force structure will be based This volume surveys in detail the conceptual and organizational evolution of the forward detachment as the premier Soviet tactical maneuver force It vividly demonstrates why forward detachments are suited by their versatile nature to be a precursor of future restructured Soviet units in general

U.S. Navy SEAL Sniper Training Program U.S. Navy, 2011-06-01 From 1962 when the first SEAL teams were commissioned to present day Navy SEALs have distinguished themselves as an individually reliable collectively disciplined and highly skilled maritime force Because of the dangers inherent in Naval Special Warfare prospective SEALs go through what is considered by many military experts to be the toughest training in the world U S Navy Once used only by authorized SEALs U S Navy SEALs Sniper Training Program is now available to the historian the military enthusiast and the curious civilian Covering all points from position selection and range estimation to exercises and mission planning this manual is exhaustive It will teach you what equipment SEAL snipers need how they camouflage themselves and when and how they apply fire

Technical Digest Naval Surface Warfare Center (U.S.), 1991 **Professional Journal of the United States Army** ,1988 **Military Review** ,1988 **China and the First Vietnam War, 1947-54** Laura M. Calkins, 2013-04-12 This book charts the development of the First Vietnam War the war between the Vietnamese Communists the Viet Minh and the

French colonial power considering especially how relations between the Viet Minh and the Chinese Communists had a profound impact on the course of the war It shows how the Chinese provided finance training and weapons to the Viet Minh but how differences about strategy emerged particularly when China became involved in the Korean War and the subsequent peace negotiations when the need to placate the United States and to prevent US military involvement in Southeast Asia became a key concern for the Chinese The book shows how the Viet Minh strategy of all out war in the north and limited guerrilla warfare in the south developed from this situation and how the war then unfolded

Social Order and the General Theory of Strategy Alexander Atkinson, 2020-12-22 Is there a place left in international politics for the real use of violence as an instrument of policy in the nuclear age Originally published in 1981 Dr Atkinson attempts to answer this question with new considerations in the presentation of a general theory of strategy He argues that the classical theory of strategy so influential for the 19th century and for the better half of the 20th century was built on a mainly hidden structure of reasoning that still infests theory today The larger and socially rooted lessons that insurgent warfare can inform as best exemplified in the primary sources of the Chinese Civil War period reveal in a new light this hidden structure of which Clausewitz is the earliest and most eloquent example By this analysis of the insurgent and classical paradigm opposites the author intends to strip away the blinds of convention still circulating in theory today so that observers and students of international politics may see where new forms of politically motivated violence in the nuclear age seem more than ever to be headed Here we have perfect paradigm opposites In the conventional world battle field action and ideally decisive battle is the center of all other issues in which such conventional logic in the end sweeps up everything else and runs it back through the logic into success or failure of armed power on the battle field Everything hangs on this In the revisionist insurgent world where social order is weaponized as an object and source of military power through its inherent and valuable armed power structures social order replaces narrow battle field action ideally focused on decisive battle and alternatively redirects the entire logic and all other considerations including previously heroic conventional military assets are remodeled to act against armed enemy power structures inherent as always in social order for the ultimate object of military victory Again everything is on this alone Which paradigm one the opposite mirror image of the other will prevail will depend on the stability and power of the nation state and its institutions the continued and unhappy collapse on which I base the General Theory

August Storm: The Soviet 1945 Strategic Offensive In Manchuria [Illustrated Edition] Colonel David M Glantz, 2015-11-06 Includes 15 tables 1 tables 26 maps In August 1945 only three months after the rumble of gunfire had subsided in Europe Soviet armies launched massive attacks on Japanese forces in Manchuria In a lightning campaign that lasted but ten days Soviet forces ruptured Japanese defenses on a 4 000 kilometer front paralyzed Japanese command and control and plunged through 450 kilometers of forbidding terrain into the heartland of Manchuria Effective Soviet cover and deception masked the scale of offensive preparations and produced strategic surprise Imaginative tailoring of units to terrain flexible combat

formations and bold maneuvers by armor heavy task organized forward detachments and mobile groups produced operational and tactical surprise and ultimately rapid and total Soviet victory For the Soviet Army the Manchurian offensive was a true postgraduate combat exercise The Soviets had to display all the operational and tactical techniques they had learned in four years of bitter fighting in the west Though the offensive culminated an education it also emerged as a clear case study of how a nation successfully begins a war in a race against the clock and not only against an enemy but also against hindering terrain Soviet military historians and theorists have recently focused on the Manchurian offensive a theater case study characterized by deep mobile operations on a broad front designed to pre-empt and overcome defenses Because these characteristics appear relevant to current theater operations the Soviets study the more prominent operational and tactical techniques used in Manchuria in 1945 What is of obvious interest to the Soviet military professional should be of interest to the U S officer as well

Special Forces Operational Techniques United States. Department of the Army, 1971

General Hieu, ARVN Tin Nguyen, 2011-03-31

This biography a reader would notice at the outset was not written by a historian an investigative reporter or a professional biographer It originates instead from the pen of a younger sibling seeking to resolve the mystery surrounding his brother's untimely death This legitimate curiosity has evolved into a collection of articles depicting General Hieu as a family man a patriot a military strategist and a man of integrity This collection of articles authored by siblings friends and fellow military men unexpectedly converges to project a dynamic image of an intelligent soldier and brilliant strategist engaged in the twofold quixotic tasks of overcoming a corrupted military hierarchy and fighting the invading North Vietnamese communist army The book presents the reader with glimpses of a man living the yin aspect of the Vietnamese society egalitarian flexible spiritual congenial and at the same time confronting the yang aspect of the neo Confucianist military and government hierarchy male dominant rigid self-serving elitist concerned with face and status Without any claim to being systematic or thorough in his research the author has nevertheless gathered

a number of revealing personal anecdotes testimonies from living witnesses declassified documents from the National Archives letters from former military academy classmates phone interviews excerpts from books and so forth From this cacophony of voices emerges the image of a virtuous man caring father loving spouse and competent general respected by Vietnamese and American military personnel of all ranks The reader would no doubt be surprised to discover this unsung hero in the stark background of negative memories of the Vietnam War and betrayal of the people by the neo Confucianist military and government hierarchy Though modest in its presentation the book managed to do justice to a dedicated soldier and competent general who was mostly unknown to both the Vietnamese and the American public After reading this fascinating biography the reader comes away wondering what might have been had this uncommon general who epitomized the true Vietnamese people been allowed to fully exercise his military competence

Main Force Assault Introduction

In today's digital age, the availability of Main Force Assault books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Main Force Assault books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Main Force Assault books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Main Force Assault versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Main Force Assault books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Main Force Assault books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Main Force Assault books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Main Force Assault books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Main Force Assault books and manuals for download and embark on your journey of knowledge?

FAQs About Main Force Assault Books

1. Where can I buy Main Force Assault books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Main Force Assault book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Main Force Assault books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Main Force Assault audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Main Force Assault books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
