**Nome** Lee Snyder,2021-11-15 As a man who sees his life as ordinary an enduring repetitive pain Gus Rivers acknowledges his destructive indifference is the root of his marriage s failure His answer is to run away to unearth the contrast he believes will help him rediscover the love and adventure his life needs There is rejuvenation in separation Gus chooses Nome But changing the scenery doesn t change the man The diversion of an ill advised love affair the intrigue of drug dealers plots covert war and savage murders blur his initial purpose Gus eventually learns that there s no place like Nome *Good Will Record* ,1914 **Memories, 1792-1872** Olive Maria Warner,1899 Down East ,2009-08 *Maine Memories* Pediment Group, Incorporated, The,Portland press herald,Maine Sunday telegram,2005-01-01 **BITCH CREEK: A NOVEL** William G. Tapply,2005-11-01 It s wonderful to see Tapply get out of the city and into an altogether different kind of time that suits his unhurried storytelling perfectly Kirkus Reviews Outstanding electrifying ingenious one of the most convincingly heroic and likeable of contemporary sleuths Publishers Weekly Tapply is a worthy successor to Hammet and both MacDonalds Ross and John Chicago Tribune William G Tapply has created a fresh new world in Bitch Creek a steamy perfectly crafted mystery introducing Stoney Calhoun an unlikely hero Stoney is a man without a past A tragic event has obliterated his memory and he has been given as so many might like to receive a chance to reinvent himself That s not an easy task when a man doesn t know anything about himself except that he is smart and utterly self reliant Stoney is driven by a current from within He has settled in Maine and has become a fishing guide and he s busy reeducating himself He s also in love and he is slowly coming to terms with the sometimes ghostly glimpses of his past Life is sweet until someone close to him is murdered and Stoney suspects that he himself was the intended target In a riveting process of investigation and self discovery Stoney delves deep into the mysteries of the murder and begins unwittingly to uncover vital truths about himself In Bitch Creek Tapply has created a unique and intensely likeable protagonist He has fashioned an ingenious plot that exquisitely unfolds along with simultaneous layers of personality and intrigue With stunning surprises and dead on dialogue Bitch Creek will be hailed along with Stoney Calhoun as Tapply s latest brilliant creation **A Garland of Memories**, A. E. Harding,1899 **A Perfect Rhyme** Kathryn Gabrielle,2015-02-24 This is a collection of poem that I have written over the years The themes are self esteem respect love and happiness I hope you enjoy reading my poetry as much as I liked writing Women Seeking Shelter Jean Romano,2013-08-07 The three women highlighted in this story were chosen to represent a family whose records are all documented through husbands and fathers They are from very different cultural backgrounds French Scots and English yet they are the true core of the American woman of their times Diversity is greater now but it was always part of the countrys fabric The women had a geographic location near the sea This ensured a contact

with both Europe and South America from the earliest times not only because of wars but in response to the world of ships ship building and trade In the 19th century few citizens of the new country were involved in news from abroad as were those from the ports of New England and the docks of New York Specific events from the life time of the three Sarahs are briefly described to show how modern times are clearly tied to the past Each successive Sarah was affected by what happened to those who preceded her on the family tree The Sarahs would also be astonished by the role of women in the 21st century It is a premise of this book that the past and present are clues to the future and common themes run through history despite superficial changes
