Cinema Houston David Welling,2010-06-30 Cinema Houston celebrates a vibrant century of movie theatres and moviegoing in Texas s largest city Illustrated with more than two hundred historical photographs newspaper clippings and advertisements it traces the history of Houston movie theatres from their early twentieth century beginnings in vaudeville and nickelodeon houses to the opulent downtown theatres built in the 1920s the Majestic Metropolitan Kirby and Loew s State It also captures the excitement of the neighborhood theatres of the 1930s and 1940s including the Alabama Tower and River Oaks the theatres of the 1950s and early 1960s including the Windsor and its Cinerama roadshows and the multicinemas and megaplexes that have come to dominate the movie scene since the late 1960s While preserving the glories of Houston s lost movie palaces only a few of these historic theatres still survive Cinema Houston also vividly re creates the moviegoing experience chronicling midnight movie madness summer nights at the drive in and of course all those tasty snacks at the concession stand Sure to appeal to a wide audience from movie fans to devotees of Houston s architectural history Cinema Houston captures the bygone era of the city s movie houses from the lowbrow to the sublime the hi tech sound of 70mm Dolby and THX to the crackle of a drive in speaker on a cool spring evening **A War Like No Other** Victor Davis Hanson,2006-09-12 One of our most provocative military historians Victor Davis Hanson has given us painstakingly researched and pathbreaking accounts of wars ranging from classical antiquity to the twenty first century Now he juxtaposes an ancient conflict with our most urgent modern concerns to create his most engrossing work to date A War Like No Other Over the course of a generation the Hellenic city states of Athens and Sparta fought a bloody conflict that resulted in the collapse of Athens and the end of its golden age Thucydides wrote the standard history of the Peloponnesian War which has given readers throughout the ages a vivid and authoritative narrative But Hanson offers readers something new a complete chronological account that reflects the political background of the time the strategic thinking of the combatants the misery of battle in multifaceted theaters and important insight into how these events echo in the present Hanson compellingly portrays the ways Athens and Sparta fought on land and sea in city and countryside and details their employment of the full scope of conventional and nonconventional tactics from sieges to targeted assassinations torture and terrorism He also assesses the crucial roles played by warriors such as Pericles and Lysander artists among them Aristophanes and thinkers including Sophocles and Plato Hanson s perceptive analysis of events and personalities raises many thought provoking questions Were Athens and Sparta like America and Russia two superpowers battling to the death Is the Peloponnesian War echoed in the endless frustrating conflicts of Vietnam Northern Ireland and the current Middle East Or was it more like America s own Civil War a brutal rift that rent the fabric of a glorious society or even this century s red state blue state schism between

liberals and conservatives a cultural war that manifestly controls military policies Hanson daringly brings the facts to life and unearths the often surprising ways in which the past informs the present Brilliantly researched dynamically written *A War Like No Other* is like no other history of this important war **The Recurrent Green Universe of John Fowles** Thomas M. Wilson, 2006 Ecocriticism is the emerging academic field which explores nature writing and ecological themes in all literature Thomas M Wilson s book is the first to consider the work of one of the most critically acclaimed and generally popular post war English writers from an ecocritical perspective Fowles is best known as a novelist and author of such works as *The Magus* *The French Lieutenant s Woman* and *Daniel Martin* Going beyond the fiction this book also examines the many profound reflections on the natural world found in his essays poems and his recently published *Journals* John Fowles writings have cast light on the ways we perceive the natural world from curious scientific observer to Wordsworthian lover of natural places as well as many other important and at this time crucial themes This volume will be of interest to critics and readers of contemporary fiction but most of all to anyone curious about their place in the recurrent green universe that is our earth
