captain Sundin didn't deviate from his quiet nature but instead lead by example never asking anyone to work harder than he did. Over thirteen seasons with the team he would learn just how fiery the cauldron of Leafs Nation could be. In *Home and Away* Mats Sundin writes openly for the first time about what it was like for him to uproot his life in Sweden to embark on a long hockey career an ocean away. *Home and Away* is an elegiac heartfelt and honest story of a man who followed his passions, cherished his family, faced heavy scrutiny and ultimately earned his way into both the hearts of fans and the hockey record books. His journey transcends the rink and shows what it means to be a quiet and unpretentious Swedish kid who went on to become one of the most accomplished players in the history of the game. NATIONAL BESTSELLER Doug Smith always gets the first question in any Raptors press conference as the dean of our press corps he's been in the front row for every development over the past 25 years. There's no one better placed to write a history of our team's first quarter century. Nick Nurse, head coach Toronto Raptors. Bringing Jurassic Park to your home a celebration of Canada's most exciting team. When the Toronto Raptors first took the court back in 1995 the world was a very different place. More than two decades later the Raptors are the heroes not only of the 416 but of the entire country. That is the incredible story of *We the North* told by Doug Smith the Toronto Star reporter who has been covering the team since the press conference announcing Canada's new franchise and the team's beat reporter from that day on. Comprising twenty-five chapters to mark the team's first twenty-five years *We the North* celebrates the biggest moments from Vince Carter's amazing display at the dunk competition to the play-off runs the major trades the Raptors' incredible fans including Nav Bhatia and Drake and of course the challenges that marked the route to the championship clinching Game 6 that brought the whole country to a standstill. *We the North 25 Years of the Toronto Raptors* tells the story of Canada's most exciting team charting their rise from a sporting oddity in a hockey mad country to the status they hold today as the reigning NBA champions and national heroes. No matter how many times the Jays and Raptors make the playoffs it's a Leafs game that still brings the city together on a cold Saturday night and fuels the talk shows all summer. But why are fans so absorbed by a team that has not won a Cup in 50 years? Veteran Leafs and NHL columnist Lance Hornby gives readers an insider's perspective on how the pulse of the city and team became one through two world wars the Depression the zany Harold Ballard years and until recently dysfunctional hockey operations. *Toronto and the Maple Leafs* includes insights and stories from Mayor John Tory to Joe Fan from influential voices of the Leafs such as Foster Hewitt and Joe Bowen to the ushers cleaners and ticket scalpers.
