Florer-Bixler,2019-04-09 What do we do with the Old Testament How do we read words written in a world so different from ours stories so ruthless and so filled with grace In Fire by Night pastor Melissa Florer Bixler invites readers to marvel at the Old Testament Page after page in stories and poems and prophecies the Hebrew Scripture introduces us to a God who is unwieldy and uncontrollable common and extraordinary and who brings both life and death Using stories from Scripture and from her ministry Florer Bixler braids together the text with the sometimes ordinary sometimes radical grace of God The same passages that confuse and horrify and baffle us can if we are paying attention lure us closer toward God This God has traveled with people through cloud and fire by day and by night since the beginning of time The Old Testament is a perplexing book of profound grace hope and beauty It s a book of fire To read the Old Testament is to draw close to God s love which continues to burn away our expectations and set us ablaze This God has traveled with people through pillars of cloud and fire by day and by night since the days of the exodus The Callaghan Symposium David Staines,1981 Night of Shadows Ed Gorman, Spur Award Winning Author ED GORMAN A KILLER IN TOWN When notorious gunslinger Stephen Fuller came to Cedar Rapids it became Anna Toland s job as matron of the town jail to see to it that he didn t create any trouble in town before he left and that he left as soon as possible But by nightfall a man was dead Fuller was on the run and everyone was sure the gunslinger was guilty Everyone except Anna No one in town would listen to what a woman had to say

about murder or the law so Anna had to set out on her own to find the real killer But before she could do that she would uncover shocking long buried secrets that threatened to tear the quiet town apart Simply one of the best Western writers of our time Rocky Mountain News A master storyteller Dallas Morning News **The Rulings of the Night** Gregory G. Maskarinec,1995 It is impossible to discuss what shamans are and what they do contends Gregory G Maskarinec without knowing what shamans say When Maskarinec took an interest in shaman rituals on his first visit to Nepal he was told by many Nepalis and Westerners that the shamans he had encountered in the Himalayan foothills of western Nepal engaged in meaningless mumblings But in the course of several years of fieldwork he learned from the shamans that both their long publicly chanted rituals and their whispered secretive incantations are oral texts meticulously memorized through years of training In *The Rulings of the Night* he shows how the shamans during their dramatic night long performances create the worlds of words in which shamans exist Maskarinec analyzes several complete repertoires of the texts that the shamans use to diagnose and treat afflictions that trouble their clients Through these texts they intervene to manipulate and change the world replacing its unbalanced inexpressible chaos with orderly balanced grammatical and eloquently expressible states They negotiate the relations between language action and social realities providing a well constructed and thoroughly consistent intentional universe and only in that universe can all shaman actions and beliefs be fully comprehended

Nothing but the Night John Williams,2019-02-12 Stoner author John Williams s first novel is a searing look at a man s relationship with his absent father and how early trauma manifests throughout one s life John Williams s first novel is a brooding psychological noir Arthur Maxley is a young man at the end of his emotional rope Having dropped out of college he s holed up in a big city hotel living off an allowance from his family feeling nothing but alone and doing nothing but drinking to forget it What s brought him to this point Something is troubling him something is haunting him something he cannot bring himself either to face or to turn away from And now his father has come to town a hail fellow well met kind of guy They ve been estranged for years and yet Arthur wants to meet and so he does reeling away from the encounter for a night of drinking and dancing and a final reckoning with the traumatizing past that readers will not soon forget This edition of *Nothing but the Night* includes an interview with Nancy Gardner Williams the author s widow *Chaos and Night* Henry de Montherlant,2009-02-17 Don Celestino is old and bitter and afraid an impossible man An anarchist who has been in exile from his native Spain for more than twenty years he lives with his daughter in Paris but in his mind he is still fighting the Spanish Civil War He fulminates against the daily papers he brags about his past exploits He has become bigoted self important and obsessed a bully to his fellow exiles and a tyrant to his daughter Pascualita Then a family member dies in Madrid and there is an inheritance to sort out Pascualita wants to go to Spain which is supposedly opening up in response to the 1960s and Don Celestino feels he has no choice but to follow He is full of dread and desire foreseeing a heroic last confrontation with his enemies but what he encounters instead is a new commercialized Spain that has no time for the past

much less for him Or so it seems Because the last act of Don Celestino s dizzying personal drama will prove that though there is nothing serious there is tragedy An astonishing modern take on Don Quixote Chaos and Night untangles the ties between politics and paranoia self loathing and self pity rage and remorse It is the darkly funny final flowering of the art of Henry de Montherlant a solitary and scarifying modern master whose work admired by Graham Greene and Albert Camus is sure to appeal to contemporary readers of Thomas Bernhard and Roberto Bola o *Classified Catalogue of the Carnegie Library of Pittsburgh* Carnegie Library of Pittsburgh,1907
