superiority of Marxism As she moves through time and space Sheehan pursues the perspectives of the vanquished in a world where the triumphalist narratives of the victors hold sway The central storyline of the book is her political activism as waves of history swept through the left and challenged it in ever more formidable ways bringing some victories but many defeats She raises questions of how to keep going in this time of monsters when the old is dying and the new cannot be born when capitalism is decadent yet still dominant

Winding Round the Square Betty Benedict,2010-01-12 This is the story of a little girl in a small Appalachian mountain town during the depression She had no relatives in the area except her mother and dad yet she captivated an entire community with her comic and precocious antics There was never a dull moment in Hayesville North Carolina when this little Pixie was Winding Round the Square Go with her to meet the people she loved and travel back to another time and place It was the hardest of times and yet the best of times because the spirit of the mountain people made it so You will feel that you have lived these times with them

Corinne, Or, Italy Madame de Staël (Anne-Louise-Germaine),1998 Corinne or Italy 1807 is both the story of a love affair and Madame de Staël s homage to the landscape literature and art of Italy The Scottish peer Lord Nelvil is torn between his passion for the beautiful Italian poetess Corinne and respect for his dead father s wish that he should marry Lucile a traditionally dutiful English girl His choice leads to tragedy for Corinne and a seared conscience for himself Madame de Staël weaves discreet French Revolutionary allusion and allegory into her novel It stands at the birth of modern nationalism and is also one of the first works to put a woman s creativity centre stage Sylvia Raphael s new translation preserves the natural character of the French original and is complemented by notes and an introduction which sets an extraordinary work of European Romanticism in its historical context

The Deck of Life Richard J. Ferrara Sr. MD,2008-03-26 Inspiration for The Deck of Life emerged from the author s clinical observations of patients in his practice of dermatology and internal medicine He became increasingly aware of the connection between the genetic code as it relates to body build temperament and disease predisposition It was further observed that these factors were influenced by the patient s belief system as it relates to personal characteristics behavior and reactions to life s situations This book explores this unique relationship and our inherent ability to alter these features It confirms the truth that there is a choice and an unlimited capacity to live a stress free life with peace happiness and longevity The reader is guided to discover their dominant and sub dominant temperament A better understanding of ourselves enables us to play a winning hand with the cards we are dealt in life Consequently we make decisions more wisely in the areas of health career choice choosing a mate child rearing and the day to day communications and enjoyment of the people in our lives
