offering clues to the ethnic makeup of the area's population. Once home to occupying British troops, bootleggers and whaling captains, longtime home of fishermen, artists and duck farmers, the Hamptons are also known as the playground of the wealthy with fabulous shopping, dining and amenities, but don't be fooled: there's something for everyone in this lovely locale that's so close to New York City but a world away. Cover *Photo Marketing Handbook* Jeff Cason, 1992 *Photographer's Market* Melissa Milar, William Brohaugh, 2002 **Between Images** Ryan Conrath, 2023 *Between Images* proposes a unique theory of montage, a technique of relation, a means of fundamentally rethinking and reshaping how humans relate to ourselves and each other to the material world, to the planet and its nonhuman inhabitants. Historically, film criticism has cast montage in one of several roles: as narrative's invisible executor of spatiotemporal continuity to maintain the viewer's investment in the story world; as an agent of disorder that confounds conventions of storytelling and realism and prompts the viewer's intellectual engagement; and as an expressionistic device for augmenting the duration and combination of shots to affect viewers at a sensory level. While not exactly abandoning such accounts, this study tries to move closer to the heart of montage by distinguishing the space between images as itself a powerful source of ideas, feelings and forms. Venturing into an expanded field of montage beyond the limited purview of a given film's editing, *Between Images* traces the cut and the splice across photographic and cinematic media in a range of material, conceptual and political contexts. In all of this, the space between images becomes a setting for navigating and renegotiating the terms of relation of the being with that connects all forms of life. *Between Images* brings together a diverse cast of experimental filmmakers including Harun Farocki, Hito Steyerl, Steve McQueen and Cauleen Smith, Daidi Saito and Ja Tovia Gary, and in doing so situates the cinematic. 1999 *Photographer's Market* Megan Lane, 1998 The guidebook photographers must see if they want to be seen.
