Nuggets of Nevada County History Juanita Kennedy Browne, 1983 *California History Nugget*, 1924 Nevada County Wine Mary Anne Davis, 2020-04-13 Nevada County's tumultuous wine history includes several booms and busts starting in the 1850s when gold prospectors brought the first grapevines in their saddlebags Economic downturns prohibition and war all tried to kill the fledgling wine industry but it hung on thanks to gentleman farmers and members of the mining industry who supplied a thirsty clientele Today although the mines have gone quiet wineries are thriving in the hills of the Gold Country and the pioneering spirit lives on in their distinctive vintages and growing techniques Join author Mary Anne Davis as she explores the family vineyards of the California foothills *Gold Mountain Turned to Dust* John R. Wunder, 2018-09-15 This legal history of the Chinese experience in the American West based on the author's lifetime of research in legal sources all over the West from California to Montana to New Mexico serves as a basic account of the legal treatment of Chinese immigrants in the West 150 Years Ago, A Sketch of Nevada County Aaron Augustus Sargent, 1998 *Driven Out* Jean Pfaelzer, 2008-08 This sweeping and groundbreaking work presents the shocking and violent history of ethnic cleansing against Chinese Americans from the Gold Rush era to the turn of the century *Haunted Hotels of the California Gold Country* Nancy K Williams, 2007-12-01 In this historic region of northern California there are hotels where some guests never checked out even after death Step across the threshold of a haunted hotel in California's renowned Gold Country and encounter phantom figures of yesteryear Wispy apparitions of gentleman guests in Victorian coats and ladies in fashionable flapper gowns glide through the walls while unexplained sobs and choking gasps disturb the night There's Stan the Cary House's eternal desk clerk and bachelor ghost Lyle who tidies the Groveland Hotel Flo tosses pots and pans in the National's kitchen while the once scorned spirit of Isabella ties the Sierra Nevada House's curtains in knots From suicidal gamblers to murdered miners the Mother Lode's one time boomtowns are crowded with characters of centuries past Book your stay with author Nancy Williams as she explores the history and haunts of the Gold Country's iconic hotels Includes photos *Bean's History and Directory of Nevada County, California*, 1867 **Sketches of Yesterday and Today in Nevada County** Marilyn Starkey, Juanita Kennedy Browne, 1988 **A History of the World's Columbian Exposition Held in Chicago in 1893** Rossiter Johnson, 1898 **Gold** Mary Hill, 2000-02-28 The discovery of gold in 1848 catapulted California into statehood and triggered environmental social political and economic events whose repercussions are still felt today Mary Hill combines her scientific training with a flair for storytelling to present the history of gold in California from the distant geological past through the wild days of the Gold Rush to the present The early days of gold fever drew would-be miners from around the world many enduring great hardships to reach California Once here they found mining to be backbreaking work and devised machines to help recover gold These machines pawed gravel from river bottoms and tore apart mountainsides wreaking environmental havoc that silted rivers ruined farmlands and provoked the world's first

environmental conflict settled in the courts Native Americans were nearly wiped out by invading miners or their diseases and many Spanish speaking settlers Californios were pushed aside Hill writes of gold s uses in today s world for everything from coins to coffins gourmet foods to spacecraft Her comprehensive overview of gold s impact on California includes illustrated explanations of geology and mining in nontechnical language as well as numerous illustrations maps and photographs
