As You Seek so Shall You Find Barbara Knapp, 2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life. As we evolve and grow spiritually, we begin to search and seek for answers to some of the questions we have in our minds. We look for the purpose of our existence and what that all means. In seeking, you find that there really is a higher purpose and that your soul yearns to find that. The soul begins the process of awakening and begins its ascension back to its source. This is the journey of the soul. **Astrology: The Ultimate Guide to Themes** **Lessons Birth Chart Interpretation (Everything You Need to Know to Harness the Wisdom of the Cards and the Stars)** Murray Mattson, In this book, he walks you through the houses of the natal chart like a good travel guide who knows
