My Love is Blind Guan Heng Tan, 2024-04-24 Perhaps I will write about my own life as a blind person Choon Guan said I'll entitle it *My Love is Blind* The word blind will embrace your name Lin His big eyes widened and lit up sparkling and full of tenderness His lips moved in a soundless whisper *My Love is Lin Tan* Guan Heng lost his sight at the age of 28 In his first novel he paints a nostalgic picture of Singapore on the brink of independence With biting honesty and ironic humour this novel brings to life the world of the blind and their sighted helpers More than twenty years after its first publication in 1995 *My Love is Blind* has retained its enduring appeal as one of Singapore's most extraordinary and memorable novels Asiapac Books is pleased to launch a special edition of this groundbreaking novel updated with an epilogue and a new foreword by Dr Tommy Koh and an afterword by literary critic Gwee Li Sui An excerpt from the afterword *My Love is Blind* is a deeply rational book because the writing involves distinct technical questions about constructing reality It explains a quality of composure where even at his lowest Choon Guan entertains neither despair nor death Ultimately we must see the heart of this work as a great belief in life what can hold together and transform all the fragments of self

Our Dramatic Heritage: The Golden Age Philip George Hill, 1983 A multi volume series that surveys European drama from ancient Greece to the mid twentieth century

The Little Princess of Tower Hill L. T. Meade, 2024-11-23 All the other children who knew her thought Maggie a wonderfully fortunate little girl She was sometimes spoken about as the Little Princess of Tower Hill for Tower Hill was the name of her father's place and Maggie was his only child The children in the village close by spoke of her with great respect and looked at her with a good deal of longing and also no slight degree of envy for while they had to run about in darned and shabby frocks Maggie could wear the gayest and daintiest little dresses and while they had to trudge sometimes even on little bare feet Maggie could sit by her mother's side and be carried rapidly over the ground in a most delicious and luxurious carriage or better still she might ride on her white pony Snowball followed by a groom The poor children envied Maggie and admired her vastly and the children of those people who compared to Sir John Ascot Maggie's father might be considered neither rich nor poor also thought her one of the most

fortunate little girls in existence Maggie was nearly eight years old and from her very earliest days there had been a great fuss made about her At the time of her birth bonfires had been lit and oxen killed and roasted whole to be given away to the poor people and Sir John and Lady Ascot did not seem at all disappointed at their baby being a girl instead of a son and heir to the old title and the fine old place There was a most extraordinary fuss made over Maggie while she was a baby her mother was never tired of visiting her grand nurseries and watching her as she lay asleep or smiling at her and kissing her when she opened her big bright blue eyes
