Death at Greenway Lori Rader-Day, 2022. From the award-winning author of *The Day I Died* and *The Lucky One*, a captivating suspense novel about nurses during World War II who come to Agatha Christie's holiday estate to care for evacuated children, but when a body is discovered nearby, the idyllic setting becomes host to a deadly mystery. Bridey Kelly has come to Greenway House, the beloved holiday home of Agatha Christie, in disgrace. A terrible mistake at St. Prisca's Hospital in London has led to her dismissal as a nurse trainee, and her only chance for redemption is a position in the countryside caring for children evacuated to safety from the Blitz. Greenway is a beautiful home full of riddles, wondrous curios, not-to-be-touched restrictions, rooms not to be entered, and a generous library filled with books about murder. The biggest mystery might be the other nurse, Gigi, who is like no one Bridey has ever met. Chasing ten young children through the winding paths of the estate grounds might have soothed Bridey's anxieties and grief if Greenway were not situated so near the English Channel and the rising aggressions of the war. When a body washes ashore near the estate, Bridey is horrified to realize this is not a victim of war but of a brutal killing. As the local villagers look among themselves, Bridey and Gigi discover they each harbor dangerous secrets about what has led them to Greenway. With a mystery writer's home as their unsettling backdrop, the young women must unravel the truth before their safe haven becomes a place of death.

Nightingale on Call Donna Douglas, 2015-01-15. 1937 sees new challenges for the trainee nurses Dora and her old enemy Lucy, paired up on the children's ward for the final three months of their training. The two nurses couldn't seem more different, but they may have more in common than they think, as each hides a secret heartache. Jess is the feisty eldest daughter of a notorious East End family, determined to prove herself as a ward maid. And new trainee nurse Effie can't wait to escape her small Irish village and make her way as a nurse in London. But Effie's sister Katie soon begins to worry that Effie's behaviour is out of control.

Cherry Ames, Student Nurse (16pt Large Print Edition) Helen Wells, 2011-05-14. Cherry Ames is back just as you remember her. The books are just as you remember them, retaining the same look, feel, and sense of adventure and patriotism as when they were first published. With fully illustrated color covers and a soft-finished hardcover format just like the originals, these books will transport you back to the days when you were reading about this spunky young nurse. Series editor and registered nurse Harriet Forman was inspired by and remains a devoted fan of Cherry Ames. I was going to follow in her footsteps and become a nurse; nothing else would do. The United States is still fighting World War II. Cherry Ames is still an Army Nurse, this time aloft as a flight nurse. Cherry is reunited with her

corpsman Bunce the two of them are in sole charge of ferrying severely wounded men out of the battlefield and to the nearest Army hospital Much to Pilot Wade Cooper s chagrin he has been taken off bomber duty to fly the wounded to safety until Cherry makes him see otherwise Off duty the nurses adopt 6 year old Muriel Grainger who has known nothing but war in her short life and whose mother has been killed by the Germans Her father is often out on mysterious errands that cause some to label him a spy Cherry makes it her risky business to find out if this is truth or rumor Nurse Errant Lucilla Andrews,1961
