entries with research He interviewed Martha s relatives friends and noteworthy characters that appear in her journals He found it necessary to expand the least descriptive portions of the journals to add imagery form and continuity to his writing As you open Martha s Journals Book One you will be privy to her deepest held thoughts and desires She will tell you secrets she would never verbalize to even her closest friends This narrative follows Martha s life from birth to womanhood You will accompany her as she explores her mind body and desires like few woman could or would Read the first three chapters of Martha s story online at Xlibris com Martha William Gilbert,1871 **Martha** William Gilbert (Novelist.),1871
