Nursing Consultation A Framework For Working With Communities:

Nursing Consultation Susan Leslie Norwood, 2003 Today's advanced practice nurses are faced with challenging and exciting new opportunities for consultation. While nursing consultation has always been an integral part of the health care environment, increasingly apparent and important is the need for a community perspective. Revised and updated to include this new emphasis on consulting within communities, *Nursing Consultation* continues to provide nurses with both the theoretical background and practical strategies that are needed to successfully respond in today's health care environment. Three New Chapters: Communities, Nurses and Consultation, Team Building in Consultation and Working with Consultants. Emphasizes a 5 phase process to resolve actual or potential problems related to the health status of clients or to health care delivery.

Rural Community Health and Well-being: A Guide to Action, **The Clinical Nurse Specialist Handbook** Patti Zuzelo, 2010-10-15 The only resource designed specifically for Clinical Nurse Specialists, the Second Edition of this best-selling text addresses the specific practical day-to-day responsibilities and challenges of the CNS role. Concrete, user-friendly strategies and exemplars are drawn from real practice and offer suggestions as well as considerations for CNS practice.

Health Promotion Throughout the Life Span - E-Book Carole Lium Edelman, Elizabeth Connelly Kudzma, Carol Lynn Mandle, 2013-10-01 With the advent of health care reform and an emphasis on reducing health care costs, health promotion and disease prevention is a priority in nursing care. Be prepared with *Health Promotion Throughout the Life Span*, 8th Edition, your comprehensive guide to major health promotion concepts. Featuring practical guidance including boxes on diversity, awareness, evidence-based practice, innovative practice, hot topics and quality and safety as well as case studies and care plans, our experienced authors give you all the tools you need to stay current on the latest research and trends in health promotion. Extensive coverage of growth and development throughout the lifespan emphasizes the unique problems and health promotion needs of each age and stage of development. Separate chapters on each population group: individual, family and community stress the unique issues faced when providing care to each group. Evidence-Based Practice boxes emphasize current research efforts and opportunities in health promotion. Hot Topics and Innovative Practice boxes engage students' interest by introducing significant issues, trends and creative programs and projects in health promotion practice. Diversity Awareness boxes address various cultural perspectives and provide important information that needs to be considered in planning care. Case studies and care plans present realistic situations that challenge students to reflect upon important health promotion concepts. Think About It boxes dig deeper into the chapter topic and encourage critical thinking. Numerous pedagogical features such as objectives, key terms and textual summaries highlight the most important concepts and terms in each chapter. Updated nutrition coverage includes MyPyramid from the FDA as well as the latest information on food safety and fad diets. Expanded health policy coverage focuses on global health, historical perspectives, financing, healthcare concierge, medical practices and the hospitalist movement. *Health Promotion for the Twenty-First Century*
