columnist and Fox News Channel political analyst Dick Morris points an accusing finger at the many ways the public has been lied to and misled, pickpocketed and endangered. Whether it's Bill Clinton who ignored mounting evidence of impending terrorist catastrophe throughout the 1990s or the members of Congress who quietly sold our democracy down the river in exchange for lifetime incumbency, Morris rips the cover off the cowardly and duplicitous figures who have sacrificed America's interests for their own. From private corruption to public treachery, even longtime political buffs will marvel at the astonishing behavior Morris reveals at every level of society and at how it threatens to compromise the American way of life.

Medicare and Medicaid Participating Facilities John E. Dicken, 2010-02 Americans receive care from tens of thousands of health care facilities participating in Medicare and Medicaid. To ensure the quality of care, the Centers for Medicare and Medicaid Services (CMS) contracts with states to conduct periodic surveys and complaint investigations. The auditor evaluated survey funding, state workloads, and federal oversight of states' use of funds since FY 2000 to determine if federal funding had kept pace with the changing workload. He analyzed 1) federal funding trends from FY 2000 through 2007 and CMS's methodology for determining states' allocations and spending; 2) CMS data on the number of participating facilities and completed state surveys; and 3) CMS oversight of state spending. Includes recommendations. Illustrations.
