Nurturing Silence in a Noisy Heart Wayne E. Oates, 1996-12-01 How can we find serenity in the midst of so much noise without and within Wayne Oates maintains that we can nurture silence in our lives if we truly value it and are eager and dedicated to nourishing it He explores practical and spiritual ways to maintain peace and centeredness in our work our relationships and our daily routines In silence we can find healing and in silence we can experience the presence of God as Friend This highly readable and engaging guide to finding and cultivating inner peace offers practical tips for the general reader whose life is filled with busyness and stress Nurturing Silence in a Noisy Heart includes a practice of silence test and questions for reflection and discussion which make the book ideal for small group study or as the focus of a retreat or conference **Developing Spiritual Success** Arthur Jaggard, 2011-12-02 How does one write about Spiritual Success and preserve any sense of humility Spiritual Success and How I Achieved It has been the tongue in cheek working title of this book It serves to remind me that I know so very little The irreverence serves to caution against the arrogance of pretending to know anything at all None of this book is actually new As Robert Webber used to remind us the ancient is the future 1 Those to whom I am indebted include a long line of teachers reaching back to the early church fathers I have had several excellent mentors and many tremendous teachers and professors They all have helped connect me to the rich heritage that we have in Jesus Christ Living with Stress Charles R. Gerber, 1999 Have you ever felt stressed out Everyone does at one point or another it just comes with being alive Some stress gets you ready for the day's experiences I want to get to work on time Other stress can have negative influences on your life the speeding ticket received while trying to get to work on time Our perspective toward how we view various stress points will determine whether stress is helpful or hurtful If we learn the biblical principles of dealing with stress we will be equipped to live holy and happy lives **The Nursery of Heaven** George Zachariah, 2020-07-30 At a time when divorce and broken families are common Christian families are seeking God s blessing and wisdom to preserve and make fruitful their marriages and journey together. The author has been married for sixty one years and through his experiences conversations and counseling with many couples he has garnered important insights on how Christians may have good and productive marriages This book provides guidance that Christians can prayerfully use to enrich their journey in married life with their partners if they choose to listen The author's six decades with his partner Susan have encouraged him to share his and her insights with fellow Christians Writing as a Sacred Path Jill Jepson, 2008-12-01 A supportive guide to approaching writing as a sacred art and to discovering spirituality through the process of writing In this inspiring guide writing teacher and anthropologist Jepson draws on her worldwide travels and studies of spiritual traditions to present a refreshing approach to the art of writing Through rituals exercises dream analysis and more writers will find fresh techniques for honing their skills overcoming creative blocks and finding their authentic voices while writing bravely honestly and with true vision Primary Speech Ann Belford Ulanov, 1982-01-01 Prayer is our

basic expression of religious belief It is our personal and most private act of devotion Words cannot do justice to the feelings wishes terrors pains or pleasures that we exchange with God This book sets out to define prayer as both a means of drawing nearer to God everyday and as a coping tool that people can use in order to achieve harmony balance and satisfaction in their Lord, I Keep Getting a Busy Signal William Powell Tuck, 2014-03-24 Do you feel like your prayers are not heard Prayer has often been described simply as communicating with God How many of us talk to God daily If we did not speak to our spouse daily how much would we know about her him Dr William Powell Tuck brings not only years of studying the Scripture but perhaps more importantly his own prayer experience and his time as a pastor counseling and teaching others I have often been embarrassed to admit that praying has not come so easily or naturally to me he confesses in this book This frank and open attitude gives us all a renewed hope makes us eager to see what Dr Tuck has to say about prayer and try his suggestions Freedom of Simplicity Richard J. Foster, 2005-08-30 A revised and updated edition of the manifesto that shows how simplicity is not merely having less stress and more leisure but an essential spiritual discipline for the health of our soul The Use of Classical Spiritual Disciplines in Evangelical Devotional Life Daniel D. Green, 2008-03-01 This is a presentation of a research project on the effect of classical spiritual disciplines on the spiritual and psychological well being of participants Eighteen persons studied and practiced thirteen different spiritual disciplines over a period of sixth months Pretests and posttests measured the resultant change Foundational chapters survey the literature of the disciplines and discuss the potential benefits and dangers of the spiritual practices considered Substantial appendices contain the lessons presented on the disciplines themselves as well as the test instruments used to measure results A narrative relating the progress of the project from inception to completion is included The Wonders of Solitude Dale Salwak, 2011-12-21 This diverse group of poets novelists artists theologians explorers and psychologists muse on solitude as a means of discovering God and self and as inspiration for creativity and inner peace They grapple with how to reconcile the spirit of community with the spirit of seclusion and ultimately how to use the power of silence and solitude to counter the distractions of our daily lives The Wonders of Solitude is an inspiring companion in the struggle to remove ourselves as Salwak writes from our peripheral concerns from the pressures of a madly active world and to return to the center where life is sacred a humble miracle and mystery **Interpersonal Relationship Skills for Ministers** ,2004-10-31 This book addresses a major need Christian Standard Reports from churches indicate that poor interpersonal relationships are the primary reasons for minister failure Though they are taught the important skills of how to interpret the Bible how to discern and articulate doctrine how to direct worship services and more ministers are eventually faced with a congregation While they may frequently call on some skills and others not at all interpersonal relationship skills are vital to any ministry This book is designed to aid ministers seminary students denominational leaders and church members nurture their relationships with one another and with God and to help the understanding of oneself and of others that is part of the
