Raising the Barre Lauren Kessler, 2015-11-24 Like generations of little girls Lauren Kessler fell in love with ballet the first time she saw The Nutcracker and from that day at age five she dreamed of becoming a ballerina But when she was twelve her very famous ballet instructor crushed those dreams along with her youthful self assurance and she stepped away from the barre Fast forward four decades Lauren suddenly powerfully itchy restless at midlife embarks on a Transcontinental Nutcracker Binge Tour where attending a string of performances in Chicago New York Boston and San Francisco reignites her love affair with the ballet and fuels her girlhood dream What ensues is not only a story about The Nutcracker itself but also an inside look at the seemingly romantic but oh so gritty world of ballet about all that happens away from the audience's eye that precedes the magic on stage It is a tale told from the perspective of someone who not only loves it but is also seeking to live it Lauren's quest to dance The Nutcracker with the Eugene Ballet Company tackles the big issues fear angst risk resilience the refusal to settle in to midlife the refusal to become yet another Invisible Woman It is also a very funny very real look at what it's like to push yourself further than you ever thought you could go and what happens when you get there

The American Nutcracker N O Slak, 2006-08-29 Although the topics author N O Slak chooses to write about contain humor satire and true personal stories The American Nutcracker is intended for those who share his opinions yet are hesitant to convey their message for fear of being politically incorrect Differences of opinion are encouraged in the United States and are even considered healthy by some Slak offers his interesting viewpoint on everything from the workplace and grocery shopping to celebrities and award shows Here are some examples Self proclaimed environmentalists

tend to do a lot of whining but there s not much going on as far as action Actors like studio executives come and go But why do they continue to soak up and even beg for those gratuitous fifteen minutes of fame You think the State of the Union Address is long and boring Think again Only at award shows can you hear the most long winded revolting and obnoxious speeches Slak is in no way bashful in his self elected job of speaking for the silent majority If you can t handle the truth coupled with a little sarcasm and satire then go ahead and put The American Nutcracker down and slowly back away
