Nutties Father:

Who Killed Nutty Nuckleball? Jerry Rannow, 2019-06-12 Hollywood comedy writer Springer McKay's latest adventure takes us deep into the Northwoods of Wisconsin where he is being pursued by an angry mob out to kill him. You may ask Why is this happening? What has Springer done to enrage the weird and wild citizens of Clowntown? How did our hero become surrogate father to ragtag baseball team the Clowntown Clowns? Why did he fall in love with the bartender at a strip joint? Why was the Clowns mascot Nutty Nuckleball murdered, stuffed and erected in the town square? Comedy, sex and romance are artfully woven together in an offbeat and hugely entertaining whodunit. **A Nutty Affair** Sithesh C Govind, 2023-05-10

Manojan and Surabhi's peaceful life is shattered when Manojan's father Vijayan files a case against them for not having children. Manojan suffers from a phobia which has prevented them from starting a family. As the legal battle unfolds, the couple is forced to confront their deepest fears and secrets and they find themselves struggling to defend their choices and their love for each other with the help of their friends and family. A heartwarming and hilarious journey of self-discovery for a couple struggling with their fears and societal pressures. A delightful and engaging story that will make you laugh and cry. **A Nutty Affair** Presenting the first ever Screenella to you all. I hope you will all enjoy it. [Pirates](#) Elaine Alijah, Foxx, 2004-12. I didn't want to be coldly cast away in a lifeboat with memories, a map and a dream. The map was awfully good, but I really didn't want a map. I just wanted my Dad. I figured that he probably planned to head west to hide out on Grandpa's farm. It was the perfect hideout, coveted for a long time by some of the island's leading ICE men. Elaine Alijah *Pirates: My Dad's Mystery* is certainly not a biography. Rather, it is a meandering voyage through my divorcee Dad's childhood through a series of open-ended, intertwined dramatic short stories or tracks to adulthood. The treacherous ride continues up and down the corporate ladder and eventually through judicial hell, where, like I've said before, Dad made a few very serious mistakes. It's the vibeztrack of Dad's life, available in both Standard and Teaching Editions. Perhaps even more intriguing than the stories in the book is the dramatic epic behind it. Fortunately for those who need to know a wealth of behind-the-scenes info, and both Elaine Alijah and C.C. Foxx are very accessible at www.piratesthebook.com. **Nutties Father** Charlotte Mary
