Western Film Highlights Henryk Hoffmann, 2015-07-11 Westerns may have had their heyday but they remain popular. The greatest films from 1914 when *The Squaw Man* and *The Virginian* were among the genre's best through 2001 when *American Outlaws* and *Texas Rangers* were tops are the subject of this work. For each year the author names the outstanding western films in the following categories: picture, screenplay, original and adaptation, direction, cinematography, music, male and female leading roles, and male and female supporting roles. Also for each year the author lists the westerns that received Academy Award nominations and those that won. Makes note of the births and deaths of notable actors, directors, producers, composers, cinematographers, authors, and other such personalities and describes the genre's significant achievements.

The Happiest Trails John Brooker, 2017-02-09 John Brooker writes in his Introduction: "B westerns have always been part of my life. I decided to tour the US by Greyhound bus and try and track down some of my childhood heroes. From that and subsequent trips Brooker began to write books, magazine columns, and even a TV series *Movie Memories*. This book contains his interviews with the actors and other research on the B westerns. Fully illustrated. *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993. The entire field of film historians awaits the AFI volumes with eagerness. Eileen Bowser, Museum of Modern Art Film Department. Comments on previous volumes: "The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog." Thomas Cripps: "Endlessly absorbing as an excursion into cultural history and national memory." Arthur Schlesinger Jr. [Heritage Galleries and Auctioneers Vintage Movie Poster Auction #607](#) Ivy Press, 2004-10.

Who's Who In Hollywood! Terry Rowan, 2015-04-18 A comprehensive film guide featuring Hollywood films, directors, actors, and actresses. They offered a thrill, a minute world of ridiculous plots, weird disguises, hair-raising escapes, hidden treasures, diabolic scientific devices, wild animals, depraved men, runaway trains, and an endless procession of knock-down drag-out fights. Who could resist? This reference work highlights 446 serial performers who thrilled generations. Each entry includes the performer's birth and death dates, serial credits, major films, and details of life before and after the movies.

Hollywood Classics 2 John Reid, 2004-07-01 What makes a B movie? This survey examines a hundred typical B movies with complete cast and credit details from Hollywood's Golden Age, including good movies like *Charlie Chan at Treasure Island*, bad movies like *Dangerous Cargo*, and cult movies like *Abbott and Costello Meet Dr. Jekyll and Mr. Hyde*.

Encyclopedia of American Film Serials Geoff Mayer, 2017-02-23 From their heyday in the 1910s to their lingering demise in the 1950s, American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets, nearly impossible shooting schedules, and the disdain of critics. Early heroines like

Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger demonstrated the enduring mass appeal of the genre Providing insight into early 20th century American culture this book analyzes four decades of productions from Pathe Universal Mascot and Columbia and all 66 Republic serials **A**
