Psychology Myers In Modules:

Psychology in Modules (High School) David G. Myers, 2012-07-30 Psychology in Modules David G. Myers, C. Nathan DeWall, 2015-01-12 In this version of Psychology Twelfth Edition David Myers and Nathan DeWall break down the new edition's 16 chapters into 53 modules assignable in any sequence and brief enough to be read in one sitting. It's a format favored by a wide range of students and instructors, one that's supported by substantial research showing that students working with shorter reading assignments develop a deeper understanding of the material. The new edition of Modules includes the same new features and content of Psychology Twelfth Edition, including hundreds of new citations and new infographics. And like Psychology Twelfth Edition, it is more than ever a fully integrated text/media learning package with the modular edition's LaunchPad now featuring dozens of new Concept Practice activities.

Exploring Psychology David G. Myers, C. Nathan DeWall, 2018-10-19 Do you want your students to engage with and retain psychology's key principles and to work toward becoming better students and better people in the process? Best-selling Exploring Psychology offers creative ways to help make it happen. The new edition of Exploring Psychology offers outstanding currency on the research practice and teaching of psychology. Myers and DeWall inspire students with fascinating findings and applications, effective new study tools and technologies, and a compassionate and compelling storytelling voice. Their presentation is based on the same guiding principles that made David Myers the world's bestselling introductory psychology author: Facilitate learning by teaching critical thinking and helping students at every step. Present psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts. Make sure students come away with an appreciation of psychology's big ideas and with a deeper respect for humanity: what drives us, distinguishes us, unifies us.
