Report To The Stockholders And Other Poems:

Report to the Stockholders and Other Poems John Beecher, 1971-01 [Report to the Stockholders & Other Poems, 1932-1962](#) John Beecher, 1962 *Southern Writers* Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's written by 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here, in one convenient source, are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject.

The Story of Alabama in Fourteen Foods Emily Blejwas, 2019-07-30 Alabama's history and culture revealed through fourteen iconic foods, dishes, and beverages. *The Story of Alabama in Fourteen Foods* explores well-known Alabama food traditions to reveal salient histories of the state in a new way. In this book, that is part history, part travelogue, and part cookbook, Emily Blejwas pays homage to fourteen emblematic foods, dishes, and beverages, one per chapter, as a lens for exploring the diverse cultures and traditions of the state. Throughout Alabama's history, food traditions have been fundamental to its customs, cultures, regions, social and political movements, and events. Each featured food is deeply rooted in Alabama identity and has a story with both local and national resonance. Blejwas focuses on lesser-known food stories from around the state, illuminating the lives of a diverse populace: Poarch Creeks, Creoles of color, wild turkey hunters, civil rights activists, Alabama club women, frontier squatters, Mardi Gras revelers, sharecroppers, and Vietnamese American shrimpers, among others. A number of Alabama figures noted for their special contributions to the state's foodways, such as George Washington Carver and Georgia Gilmore, are profiled, as well. Alabama's rich food history also unfolds through accounts of community events and a food-based economy. Highlights include Sumter County barbecue clubs, Mobile's banana docks, Appalachian Decoration Days, cane syrup making, peanut boils, and eggnog parties. Drawing on historical research and interviews with home cooks, chefs, and community members cooking at local gatherings and for holidays, Blejwas details the myths, legends, and truths underlying Alabama's beloved foodways. With nearly fifty color illustrations and fifteen recipes, *The Story of Alabama in Fourteen Foods* will allow all Alabamians to more fully
