Reporting World War II American Journalism 1938-1944:

Reporting World War II Vol. 1 (LOA #77) Samuel Hynes, 1995-09 Part one American journalism 1938-1944 **Charles Brockden Brown: Three Gothic Novels (LOA #103)** Charles Brockden Brown, 1998-08-01 An elderly mystic dies of spontaneous combustion in a secret temple A young man is haunted by voices instructing him to slaughter his wife and children A sleepwalker undergoes a series of violent adventures in the wilderness These haunted dreamlike scenes define the fictional world of Charles Brockden Brown America's first professional novelist Published in the final years of the eighteenth century Brown's startlingly prophetic novels are a virtual résumé of themes that would constantly recur in American literature madness and murder suicide and religious obsession the seduction of innocence and the dangers of wilderness and settlement alike In *Three Gothic Novels* The Library of America collects the most significant of Brown's works *Wieland* or *The Transformation* 1798 his novel of a religious fanatic preyed upon by a sinister ventriloquist is often considered his masterpiece A relentlessly dark exploration of guilt deception and compulsion it creates a sustained mood of irrational terror in the midst of the Pennsylvania countryside In *Arthur Mervyn* or *Memoirs of the Year 1793* 1799 Brown draws on his own experience to create indelible scenes of Philadelphia devastated by a yellow fever epidemic while telling the story of a young man caught in the snares of a professional swindler *Edgar Huntly* or *Memoirs of a Sleep Walker* 1799 fuses traditional Gothic themes with motifs drawn from the American wilderness in a series of eerily unreal adventures that test the limits of the protagonist's self knowledge All three novels reveal Brown as the pioneer of a major vein of American writing a novelist whose literary heirs include Poe Hawthorne Faulkner and the whole tradition of horror and noir from Cornell Woolrich to Stephen King This volume also includes a newly researched chronology of Brown's life explanatory notes and an essay on the texts LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1,000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

Mark Twain: Historical Romances (LOA #71) Mark Twain, 1994-08-01 In the three novels collected in this Library of America volume Mark Twain turned his comic genius to a period that fascinated and repelled him in equal measure medieval and Renaissance Europe This lost world of stately pomp and unspeakable cruelty artistic splendor and abysmal ignorance the seeming opposite of brashly optimistic commercial democratic nineteenth century America engaged Twain's imagination inspiring a children's classic and astonishing fantasy of comedy and violence and an unusual fictional biography Twain drew on his fascination with impersonation and the theme of the double in *The Prince and the Pauper* 1882 which brilliantly uses the device of identical boys from opposite ends of the social hierarchy to evoke the tumultuous contrasts of Henry VIII's England As the pauper Tom Canty is raised to the throne while the rightful heir is cast out among thieves and beggars Twain

sustains one of his most compelling narratives A perennial children s favorite the novel brings an impassioned American point of view to the injustices of traditional European society A Connecticut Yankee in King Arthur s Court 1889 finds Twain in high satiric form When hard headed Yankee mechanic Hank Morgan is knocked out in a fight he wakes up in Camelot in A D 528 and finds himself pitted against the medieval rituals and superstitions of King Arthur and his knights In a hilarious burlesque of the age of chivalry and of its cult in the nineteenth century American South Twain demolishes knighthood s romantic aura to reveal a brutish violent society beset by ignorance But the comic mood gives way to a darker questioning of both ancient and modern society culminating in an astonishing apocalyptic conclusion that questions both American progress and Yankee ingenuity as Camelot is undone by the introduction of advanced technology Taking into account her origin youth sex illiteracy early environment and the obstructing conditions under which she exploited her high gifts and made her conquest in the field and before the courts that tried her for her life she is easily and by far the most extraordinary person the human race has ever known So Twain wrote of the heroine of Personal Recollections of Joan of Arc 1896 his most elaborate work of historical reconstruction A respectful and richly detailed chronicle by turns admiring and indignant Joan of Arc opens a fascinating window onto the moral imagination of America s greatest comic writer LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries **American Poetry 19th Century 2** John Hollander, 2016-04-01 First Published in 2004 From Philip Freneau to Walt Whitman Herman Melville to Trumbull Stickney this collection of two volumes selected by John Hollander gives an insight into the artform during the nineteenth century This collection is sorted by author with focus on American Indian Poetry Folk Songs and Spirituals An extensive list of works with attention to their chronology and editor notes on the texts within *Nathaniel Hawthorne: Collected Novels (LOA #10)* Nathaniel Hawthorne, 1983-04-15 The Library of America presents in one giftable collection all 5 of Nathaniel Hawthorne s world famous novels including The House of the Seven Gables and The Scarlet Letter Written in a richly suggestive style that seems remarkably contemporary Nathaniel Hawthorne s novels permeated by his own history as well as America s In The House of the Seven Gables Nathaniel Hawthorne alludes to his ancestor s involvement in the Salem witch trials as he follows the fortunes of two rival families the Maules and the Pyncheons The novel moves across 150 years of American history from an ancestral crime condoned by Puritan theocracy to reconciliation and a new beginning in the bustling Jacksonian era Considered Hawthorne s greatest work The Scarlet Letter is a dramatic allegory of the social consequences of adultery and the subversive force of personal desire in a community of laws The transgression of Hester Prynne and Arthur Dimmesdale the innate lawlessness of their bastard child Pearl and the torturous jealousy of the husband Roger Chillingworth eventually

erupt through the stern reserve of Puritan Boston The Scarlet Letter engages the moral and romantic imagination of readers who ponder the question of sexual freedom and its place in the social world Fanshawe is an engrossing apprentice work that Hawthorne published anonymously and later sought to suppress Written during his undergraduate years at Bowdoin College it is a tragic romance of an ascetic scholar's love for a merchant's daughter The Blithedale Romance is a novel about the perils which Hawthorne knew first hand of living in a utopian community The utilitarian reformer Hollingsworth the reticent narrator Miles Coverdale the unearthly Priscilla and the sensuous Zenobia purportedly modeled on Margaret Fuller act out a drama of love and rejection idealism and chicanery millennial hope and suicidal despair on an experimental commune in rural Massachusetts The Marble Faun Hawthorne's last finished novel uses Italian landscapes where sunlight gives way to mythological shadings as a background for mysteries of identity and murder Its two young Americans Kenyon and Hilda become caught up in the disastrous passion of Donatello an ingenuous nobleman for the beautiful mysterious Miriam a woman trying to escape her past

for the beautiful mysterious Miriam a woman trying to escape her past Ralph Waldo Emerson: Essays and Lectures (LOA #15) Ralph Waldo Emerson, 1983-11-15 Our most eloquent champion of individualism Emerson acknowledges at the same time the countervailing pressures of society in American life Even as he extols what he called the great and creative self he dramatizes and records its vicissitudes Here are all the indispensable and most renowned works including The American Scholar our intellectual Declaration of Independence as Oliver Wendell Holmes called it The Divinity School Address considered atheistic by many of his listeners the summons to Self Reliance along with the more embattled realizations of Circles and especially Experience Here too are his wide ranging portraits of Montaigne Shakespeare and other representative men and his astute observations on the habits lives and prospects of the English and American people This volume includes Emerson's well known Nature Addresses and Lectures 1849 his Essays First Series 1841 and Essays Second Series 1844 plus Representative Men 1850 English Traits 1856 and his later book of essays The Conduct of Life 1860 These are the works that established Emerson's colossal reputation in America and found him admirers abroad as diverse as Carlyle Nietzsche and Proust The reasons for Emerson's influence and durability will be obvious to any reader who follows the exhilarating exploratory movements of his mind in this uniquely full gathering of his work Not merely another selection of his essays this volume includes all his major books in their rich entirety No other volume conveys so comprehensively the exhilaration and exploratory energy of perhaps America's greatest writer LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries A Gradual Ruin Robert Hilles, 2010-08-20 From acclaimed novelist and Governor General's Award winning poet Robert Hilles comes a haunting story about the desperate choices made in wartime and lives affirmed or shattered in a moment In the final chaotic days of the Second World War Tommy a young Canadian soldier is separated from his unit and lost in enemy territory Seeking shelter among the rotting haystacks and devastated farmhouses of the German countryside he follows a cry to a bloodied and terrified girl When he decided to save her from starvation or worse Tommy's life is forever changed And in 1960s northern Ontario fourteen year old Judith discovers what her mother Alice has already learned that when circumstances and frustrated desire force you from home sometimes all you can do is begin life afresh Impetuous intelligent and suspicious Judith is on the verge of bringing old mistakes into a new world These lives are woven into a story at once grand and intimate Spanning continents and generations A Gradual Ruin is an engrossing account of lives damaged in the present those lost in the past With patience and empathy Robert Hilles vividly captures the ache for the missing parent or lover and the guilt for those imperfectly loved or unintentionally betrayed From Stalin's gulags to the farms and paper mills of northern Ontario A Gradual Ruin probes a life's

purpose and a heart's responsibility in a world far beyond our power to control. In the theatre of war as within the confines of family, our lives often turn not on our goodwill or our careful plans but on the caprice of fate. He crawled a good distance into the forest before he heard the whimpering. At first he thought he imagined it, fatigue playing tricks on him. But as he moved forward, the sound grew stronger. Worried that he was stumbling into a trap, he thought for a moment about heading back, but his heart drew him to the sound against his better judgment. He inched closer and the sound became more clearly that of a crying child. Near the source, the bush opened up and he saw someone lying in the dirt, so covered in filth and blood that at first he couldn't make out whether it was a boy or girl. He pulled himself to within a few feet and the sobbing stopped. The girl had seen him but she made no attempt to flee or defend herself. Tommy reached out a shaking hand to brush aside the dirt and mud, and she screamed so loudly he clasped his hand around her mouth, but she bit him and he had to let her go. Her hair clung to her head in matted, muddied clumps. She was only thirteen or fourteen from A Gradual Ruin. John Muir: Nature Writings (LOA #92)

John Muir, 1997-04-22. Known as the Father of the National Parks, John Muir wrote about the American West with unmatched passion and eloquence as seen in this stunning one-volume collection. In a lifetime of exploration, writing, and passionate political activism, John Muir became America's most eloquent spokesman for the mystery and majesty of the wilderness. A crucial figure in the creation of our national parks system and a far-seeing prophet of environmental awareness, who founded the Sierra Club in 1892, he was also a master of natural description who evoked with unique power and intimacy the untrammelled landscapes of the American West. Nature Writings collects Muir's most significant and best-loved works in a single volume, including *The Story of My Boyhood and Youth* (1913), *My First Summer in the Sierra* (1911), *The Mountains of California* (1894), and *Stickeen* (1909). Rounding out the volume is a rich selection of essays, including *Yosemite Glaciers*, *God's First Temples*, *Snow Storm on Mount Shasta*, *The American Forests*, and *Save the Redwoods*, that highlight various aspects of his career: his exploration of the Grand Canyon and of what became Yosemite and Yellowstone national parks; his successful crusades to preserve the wilderness; his early walking tour to Florida and the Alaska journey of 1879.

World War II on Film David Lührssen, 2020-11-09. *World War II on Film* examines the war through the lens of 12 films. The movies selected include productions made during World War II and, in each succeeding decade, providing a sense of how different generations perceive the war. *World War II on Film* provides a succinct yet well-grounded appraisal of that war as seen through 12 representative films. The book separates fact from fiction, showing where the movies were accurate and where they departed from reality and places them in the larger context of historical and social events. Each movie chosen represents a particular

aspect of the conflict including the air war over Europe the condition of prisoners of war Nazi atrocities and the British evacuation at Dunkirk Unlike most histories of Hollywood during World War II or the genre of war movies World War II on Film examines in depth the relation between the depictions of events beliefs attitudes and ways of life as seen on film with reality as documented by historians or recorded by journalists or eyewitnesses to the war The volume will appeal to high school and college readers as well as general interest readers and film buffs
