Representation In Religion Studies In Honor Of Moshe Barasch:

Representation in Religion Jan Assmann, Albert I. Baumgartner, 2018-08-14 The role of representation in religion is complex While often perceived as essential it is also associated in many traditions with the liability of idolatry and provokes iconoclasm The essays in this volume examine the nuances of representation in religion and the debate concerning its place across a variety of traditions from the three Abrahamic faiths to those of antiquity and the East This volume consists of presentations made at an international conference held in honor of Moshe Barasch art historian and cultural critic who has done much to elucidate the light which representation and religion shed on each other It pays tribute to Barasch by expanding the base of understanding and insight he has erected It should be of interest to students of religion and of art history

Word vs Image E. Spolsky, 2006-11-28 Arguing on recent cognitive evidence that reading a Bible is much more difficult for human brains than seeing images this book exposes the depth and breadth of Protestant theologians misunderstandings about how people could reform their spiritual lives how they could literally change their minds

Citizens of the World Margit Warburg, 2018-08-14 Citizens of the World deals with the Baha is and their religion While covering the historical development in sufficient detail to serve as a general monograph on Baha i emphasis is laid on examining contemporary Baha i with the Danish Baha i community as a recurrent case The book discusses Baha i religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Baha is fieldwork data from the Baha i World Centre in Israel and field trips around the world The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation Several general topics in the study of new religions are covered The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions

The Genius Eliyahu Stern, 2013-01-08 DIV Elijah ben Solomon the Genius of Vilna was perhaps the best known and most understudied figure in modern Jewish history This book offers a new narrative of Jewish modernity based on Elijah s life and influence While the experience of Jews in modernity has often been described as a process of Western European secularization with Jews becoming citizens of Western nation states congregants of reformed synagogues and assimilated members of society Stern uses Elijah s story to highlight a different theory of modernization for European life Religious movements such as Hasidism and anti secular institutions such as the yeshiva emerged from the same democratization of knowledge and privatization of religion that gave rise to secular and universal movements and institutions Claimed by traditionalists enlighteners Zionists and the Orthodox Elijah s genius and its afterlife capture an all embracing interpretation of the modern Jewish experience Through the story of the Vilna Gaon Stern presents a new model for understanding modern Jewish history and more generally the place of traditionalism and religious radicalism in modern Western life and thought div

Devotional Visualities Karen Pechilis, Amy-Ruth Holt, 2023-09-21 This book is the first to

focus on material visualities of bhakti imagery that inspire shape convey and expand both the visual practices of devotional communities as well as possibilities for extending the reach of devotion in society in new and often unexpected ways Communities of interpreters of bhakti images discussed in this book include not only a number of distinctive Hindu bhakti groups but also artisans diaspora women South Asian Sufis businessmen dancers and filmmakers This book s identification of devotional practices of looking such as materializing memory mirroring and immaterializing portraits and shaping the return look connect material and visual cultures as well as illustrate modes of established and experimental image usage Bhakti is one of the most studied aspects of Indic devotionism on account of its expression through emotive poetry song and vivid hagiographies of saints The diverse devotional visualities analyzed in this book meaningfully circulate bhakti images in past and present generating their renewed relationship to contemporary concerns **Hindu Gods in an American Landscape** E. Allen Richardson,2018-12-04 In India Hindu images have been cast for millennia through the lost wax process and brought to life by priests becoming not merely venerated icons but actual embodiments of gods Second and third generation Hindu Americans have increasingly adopted a more worldly perspective toward religious objects viewing them as symbolic rather than actual presences of the deity The author traces the origins of this important shift and examines Western attitudes regarding sacred objects as well as the complex layering of traditional and modern Hindu attitudes in a globalized world

Diagoras of Melos Marek Winiarczyk,2016-07-11 Diagoras of Melos lyric poet 5th c B C has received special attention for some time now because he was regarded as a radical atheist and the author of a prose work on atheism in antiquity He was notorious for revealing and ridiculing the Eleusinian Mysteries and was condemned for impiety at Athens The present book evaluates Diagoras biography and shows that he cannot be considered to have been an atheist in the modern sense

The ^AMateriality of the Past Anne Murphy,2012-09-25 Anne Murphy offers a groundbreaking exploration of the material aspects of Sikh identity showing how material objects as well as holy sites and texts embody and represent the Sikh community as an evolving historical and social construction **Mirror of Nature, Mirror of Self** Dimitry Shevchenko,2023 Mirror of Nature Mirror of Self considers theories of consciousness in Indian philosophical traditions through the metaphor of reflection in a mirror Just as a face appears where it is not in a mirror s reflection so do consciousness and its properties such as the sense of self subjectivity and experience In a dialogue with psychoanalytical theory and contemporary philosophy of mind the book develops a new model of consciousness and contributes to contemporary debates **Portraiture in South Asia since the Mughals** Crispin Branfoot,2018-06-30 One of the most remarkable artistic achievements of the Mughal Empire was the emergence in the early seventeenth century of portraits of identifiable individuals unprecedented in both South Asia and the Islamic world Appearing at a time of increasing contact between Europe and Asia portraits from the reigns of the great Mughal emperor patrons Akbar Jahangir and Shah Jahan are among the best known paintings produced in South Asia In the following centuries portraiture became more widespread in the visual culture of South Asia especially in

the rich and varied traditions of painting but also in sculpture and later prints and photography This collection seeks to understand the intended purpose of a range of portrait traditions in South Asia and how their style setting and representation may have advanced a range of aesthetic social and political functions The chapters range across a wide historical period exploring ideals of portraiture in Sanskrit and Persian literature the emergence and political symbolism of Mughal portraiture through to the paintings of the Rajput courts sculpture in Tamil temples and the transformation of portraiture in colonial north India and post independence Pakistan This specially commissioned collection of studies from a strong list of established scholars and rising stars makes a significant contribution to South Asian history art and visual culture
