

REPRESENTATIVE ENGLISH PLAYS

FROM THE MIDDLE AGES
TO THE END OF THE
NINETEENTH CENTURY

JOHN S. P. TATLOCK
ROBERT G. MARTIN

This is the only one-volume collection of English plays that includes representative dramas from the earliest period to our own generation. It is of value both to the student of the drama and to the general reader. The periods represented are: Middle Ages, Elizabethan, Restoration, Eighteenth Century, Nineteenth Century. In the book are twenty-five complete

plays, each with an introduction giving the necessary facts about its authorship, composition, etc., as well as critical and interpretative matter, especially in reference to its time. In their foot-notes Mr. Tatlock and Mr. Martin, the editors, give terse answers to questions any reader not familiar with a play or with the language of its time is likely to ask.
