Representing The Troubles Text And Images 1970 2000:

The A to Z of the Northern Ireland Conflict Gordon Gillespie, 2009-09-24 For nearly four decades the conflict in Ireland has embittered relations between the communities living there and spoiled relations between the Republic of Ireland and Great Britain For three decades it escalated punctuated by periodic bloody clashes followed by somewhat calmer periods of tension during which violence of all sorts robberies kidnappings serious injuries and deaths were all too common During the past decade fortunately all sides have realized that armed solutions were unlikely to bring a solution to anyone's problems and that peace should be given a chance Fortunately with the establishment of a new Northern Ireland Executive there is a general acceptance that the conflict is now part of the past The A to Z of the Northern Ireland Conflict covers the history of the Troubles through a chronology covering the Northern Ireland conflict and peace process from 1968 until the formation of the new Northern Ireland Executive in May 2007 an introductory essay a bibliography and several hundred cross referenced dictionary entries on main events individuals and organizations Researchers with an interest in the Northern Ireland conflict will find this book to be an essential addition to their collection of reference books on the subject

Masculinities and the Contemporary Irish Theatre B. Singleton, 2010-11-24 Irish theatre and its histories appear to be dominated by men and their actions This book's socially and culturally contextualized analysis of performance over the last two decades however reveals masculinities that are anything but hegemonic played out in theatres and other arenas of performance all over Ireland

Twentieth-Century Fiction by Irish Women Heather Ingman, 2017-03-02 During much of the twentieth century Irish women's position was on the boundaries of national life Using Julia Kristeva's theories of nationhood often particularly relevant to Ireland this study demonstrates that their marginalization was to women's and indeed the nation's advantage as Irish women writers used their voice to subvert received pieties both about women and about the Irish nation Kristevan theories of the other the foreigner the semiotic the mother and the sacred are explored in authors as diverse as Elizabeth Bowen Kate O'Brien Edna O'Brien Mary Dorcey Jennifer Johnston and Eilís Ní Dhuibhne as well as authors from Northern Ireland like Deirdre Madden Polly Devlin and Mary Morrissy These writers whose voices have frequently been sidelined or misunderstood because they write against the grain of their country's cultural heritage finally receive their due in this important contribution to Irish and gender studies

Representing the Troubles Brian Cliff, Eibhear Walshe, 2004 In the second half of the twentieth century Ireland experienced thirty years in which the political status of Northern Ireland was challenged by numerous acts of violence Since the signing of the Good Friday Belfast Agreement in 1998 it has been widely sensed that an era has passed in Irish history Now seems accordingly an auspicious time to begin an assessment of how the period of the Troubles was represented in literature theatre film and television drama This collection of essays considers representations of the Troubles in these varied genres and includes lectures given at the Royal Irish Academy by writers Glenn Patterson Anne Devlin and Colm Toibin
