Research In Social Problems And Public Policy Vol 5 1993:

Research in Social Problems and Public Policy William R. Freudenburg, 1993-12 Even today many people think of social problems as involving poor and powerless individuals in society Research in Social Problems and Public Policy seeks to improve the balance by adding a focus on important and powerful institutions Such organizations often play key roles in managing and mismanaging the ways in which some of today's most important social problems are handled by the public policy system The papers discuss policy sciences public policy analysis and public management addressing operations and design issues for government organizations *The Cambridge Handbook of Social Problems*: A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

The Cambridge Handbook of Social Problems: Volume 2 A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research **Public Policy in Israel** David Nachmias, Gila Menahem, 2016-02-17 An examination of the current Israeli government covering public policies such as health housing and transport The volume covers the institutional as well as the political and the bureaucratic framework within which public policies have been made and implemented **The Challenger Launch Decision** Diane Vaughan, 2016-01-04 An in depth account of the events and personal actions which led to a great tragedy in the history of America's space program James D Smith former Solid Rocket Booster Chief NASA Marshall Space Flight Center When the Space Shuttle Challenger exploded on January 28 1986 millions of Americans became bound together in a single historic moment Many still vividly remember exactly where they were and what they were doing when they heard about the tragedy Diane Vaughan recreates the steps leading up to that fateful decision contradicting conventional interpretations to prove that what occurred at NASA was not

skullduggery or misconduct but a disastrous mistake Why did NASA managers who not only had all the information prior to the launch but also were warned against it decide to proceed In retelling how the decision unfolded through the eyes of the managers and the engineers Vaughan uncovers an incremental descent into poor judgment supported by a culture of high risk technology She reveals how and why NASA insiders when repeatedly faced with evidence that something was wrong normalized the deviance so that it became acceptable to them In a new preface Vaughan reveals the ramifications for this book and for her when a similar decision making process brought down NASA s Space Shuttle Columbia in 2003 Vaughn finds the traditional explanation of the Challenger accident to be profoundly unsatisfactory One by one she unravels the conclusions of the Rogers Commission The New York Times A landmark study Atlantic Vaughn gives us a rare view into the working level realities of NASA The cumulative force of her argument and evidence is compelling Scientific American An Ounce of Prevention Allan Bonner,2014-10-17 With more than 100 check lists diagrams charts tables forms and pre written documents this is the comprehensive guide to a crisis plan that you need Conversational prose makes complex concepts in risk and crisis management easily accessible Case studies and anecdotes from real life incidents remind readers of the dos and don ts of crisis management When you hear the expression He wrote the book on crisis management this is the book This book had its origins in the Exxon Valdez oil spill Dr Bonner had trained responders who went to Alaska and was then commissioned to design and execute major oil spills for the oil industry and coast guard on both coast of North America Seeing that their crisis plans were not adequate clients then commissioned new plans from scratch This plan has been polished re written researched and tested in the diplomatic corps with the military trade officials hospitals police forces off shore drilling companies mining companies and many other high need clients on five continents over 15 years Columbia Accident Investigation Board, Report Vol. 1, August 2003, * United States.
