Malcolm Evans,2016-01-29 Have New Zealanders found paradise Few would deny the magnificence of New Zealand s  
landscape from its secluded bays and numerous tranquil lakes to its glaciers and the soaring majesty of the Southern Alps it  
is always surprising As the Maori have always attested their country is more than simply what can be seen It is also its  
ancestral history legends fauna and even its sea life Travels with Suzy Doc and Ella is ostensibly the account of two journeys  
around New Zealand Though full of its people their stories and vivid descriptions of its scenery it is blended with  
observations that lead towards an understanding of that history and its development into a peaceable cosmopolitan nation In  
parallel with these journeys are the Maori and their struggle for recognition and the route of New Zealand s constitution  
from initial chaos to the fifth most democratic country in the world Out of this has also blossomed one of the most  
ecologically aware countries These paths have not always been easy but this book does not shy from the truth or voiced  
criticism Perhaps Kiwis have found paradise That is for you to discover The book is illustrated with over 90 colour  
photographs All royalties from the sale of this book will go directly to support the lifesaving research of Cancer Research UK
