Clan Donald Donald J. Macdonald, 2008-01-18 This volume presents a detailed history of this Scottish noble lineage from the medieval Lords of the Isles to the mid eighteenth century Clan Donald is not the history of one clan but of several important clans that descend from the old Kingdom of Macdonald Each of these clans played its part in the history of Scotland until the fateful Battle of Culloden in 1746 Covering a period of six hundred years the narrative begins with Somerled and the foundation of the Lordship of the Isles It traces the narrative through the downfall of the Lordship in 1493 and the various branches that arose thereafter The book then culminates in an overview of how the Celtic and Roman Churches were influenced by Clan Donald Based on the original three volume edition of Clan Donald first published between 1896 and 1904 this all encompassing reference book is essential for members of the Clan as well as students of the Western Highlands and Isles
