Translating,

Interpreting, and Decolonizing Chinese Fairy Tales Juwen Zhang, 2024-10-15 Through meticulous textual and contextual analysis of the sixteenth century Chinese tale The Seven Brothers and its fifteen contemporary variants Juwen Zhang unveils the ways in which the translation and illustration of folk and fairy tales can perpetuate racist stereotypes By critically examining the conscious and unconscious ideological biases harbored by translators adapters and illustrators the author calls for a paradigm shift in translation practices grounded in decolonization and anti racism to ensure respectful and inclusive representation of diverse cultures Translating Interpreting and Decolonizing Chinese Fairy Tales not only offers insights for translators researchers and educators seeking to leverage folktales and picture books for effective children s education and entertainment but also challenges our preconceived notions of translated and adapted folk and fairy tales
