The World Reformed Fellowship Statement of Faith A. T. B. McGowan, 2024-04-10 At the inaugural General Assembly of the World Reformed Fellowship WRF in 2000 I proposed that the WRF could serve the church by writing a new confession of faith for the twenty first century The first reason was that the members of the WRF were drawn from many nations and from many denominations and were using a whole range of confessional statements At the same time there was general agreement that we were all Reformed in theology The second reason was the need for a confessional statement to address the issues the church is facing today The third reason was that all of our confessions were written in Western Europe whereas the leadership in the global church has now moved to the southern hemisphere Scholars from Africa Asia Australasia and South America joined with theologians from Europe and North America to engage in the task The Statement was presented to the WRF General Assembly in April 2010 An invitation was then issued to all members of the WRF to suggest any changes or additions to the text The Statement presented here was approved by the WRF Board of Directors in 2011 It is not intended to replace other confessional statements but may be of use to individuals and churches as they reflect on the nature of Reformed Theology and its application to the theological and moral issues which confront the church in the twenty first century

María Magdalena, la señora del Señor José Ramón Arana Marcos, 2017-12-29 Jesús de Nazaret y María Magdalena son dos seres extraños en un país convulso Jesús creció en una sociedad de casados no pronunciaba una palabra política en un pueblo agitado por el sometimiento y la rebelión y ni siquiera cuando su primo Juan es matado protesta contra el tirano y con su predica sobre su reino de paz no hace más que aumentar la confusión El caso de María Magdalena podría ser más discutible es una prostituta Pero lo es en una sociedad puritana lo cual significa que en su oficio se jugaba la vida permanece soltera cuando el destino de la mujer era el matrimonio no tiene hijo alguno cuando el pueblo exige dar hijos para liberar a Israel de la esclavitud y producir héroes Estos dos seres extraños se encontraron en la vida en un cruce de sus caminos Sólo tienen un elemento en común Pudieron surgir chispas incluso un incendio Pudieron ignorarse y seguir cada cual su destino La historia ha magnificado la vida de Jesús de Nazaret y ha convertido a la Magdalena en un apéndice apéndice curioso de esa vida Pero cuando dos extraños se encuentran nadie puede predecir el resultado Y nosotros nos podemos preguntar legítimamente qué aprendí Jesús de María de Magdala Porque todo el mundo está convencido que la alumna fue ella pero es posible que la predicación de Jesús hubiera sido distinta sin los estmulos
