Jake Berman

Los Angeles 2020:

, *When Race Trumps Merit* Heather Mac Donald, 2023-04-18 Does your workplace have too few black people in top jobs It s racist Does the advanced math and science high school in your city have too many Asians It s racist Does your local museum employ too many white women It s racist too After the Black Lives Matter protests of 2020 prestigious American institutions from the medical profession to the fine arts pleaded guilty to systemic racism How else explain why blacks are overrepresented in prisons and underrepresented in C suites and faculty lounges their leaders asked The official answer for those disparities is disparate impact a once obscure legal theory that is now transforming our world Any traditional standard of behavior or achievement that impedes exact racial proportionality in any enterprise is now presumed racist Medical school admissions tests expectations of scientific accomplishment in the award of research grants the enforcement of the criminal law all are under assault because they have a disparate impact on underrepresented minorities When Race Trumps Merit provides an alternative explanation for those racial disparities It is large academic skills gaps that cause the lack of proportional representation in our most meritocratic organizations and large differences in criminal offending that account for the racially disproportionate prison population The need for such a corrective argument could not be more urgent Federal science agencies now treat researchers skin color as a scientific qualification Museums and orchestras choose which art and music to promote based on race Police officers avoid making arrests and prosecutors decline to bring charges to avoid disparate impact on minority criminals When Race Trumps Merit breaks powerful taboos But it is driven by a sense of alarm supported by detailed case studies of how disparate impact thinking is jeopardizing scientific progress destroying public order and poisoning the appreciation of art and culture As long as alleged racism remains the only allowable explanation for racial differences we will continue tearing down excellence and putting lives as well as civilizational achievement at risk

A Search for Common Ground Frederick M. Hess, Pedro A. Noguera, 2021 At a time of bitter national polarization there is a critical need for leaders who can help us better communicate with one another In *A Search for Common Ground* Rick Hess and Pedro Noguera who have often fallen on opposing sides of the ideological aisle over the past couple of decades candidly talk through their differences on some of the toughest issues in K 12 education today from school choice to testing to diversity to privatization They offer a sharp honest debate that digs deep into their disagreements enabling them to find a surprising amount of common ground along the way Written as a series of back and forth exchanges this engaging book illustrates a model of responsible civil debate between those with substantial principled differences It is also a powerful meditation on where 21st century school improvement can and should go next Book Features Modeling dialogue Rick and Pedro provide a model for how to sort through complicated issues and find common ground in today s atmosphere of distrust Deliberate sustained exchange Rick and Pedro demonstrate how deliberate sustained reflection allows them to respectfully flesh out differences and sharpen their own thoughts Left and Right Politics Rick generally Right and Pedro generally Left

offer a window into where they do and don't agree on education and point the way to principled cooperation. Readable and conversational. Rather than pushing a partisan agenda, Rick and Pedro have crafted a stimulating read for education newcomers and experts alike. Unique approach. While other books about the different sides of the education debates simply present paired essays, Rick and Pedro actually engage with each other to strive for a deeper understanding of their differences.

Magic: The Life of Earvin "Magic" Johnson Roland Lazenby, 2023-10-24. The definitive biography of the basketball legend Earvin Magic Johnson from the highly respected career sportswriter and author of *Michael Jordan: The Life*. Magic Johnson is one of the most beloved and at times controversial athletes in history. His iconic smile lifted the dowdy sport of American professional basketball from a second-tier sport with low ratings into the global spotlight, a transformation driven by Magic's ability to eviscerate opponents with a playing style that featured his grand sense of fun. He was a master entertainer who directed the Los Angeles Showtime Lakers to the heights of both glory and epic excess, all of it driven by his mind-blowing no-look passes and personal charm. Then in 1991, at the height of his charismatic power, Johnson shocked the world with a startling cautionary tale about sexually transmitted disease that pushed public awareness of the HIV/AIDS crisis. Then out came his confession of unprotected sex with hundreds of women each year, followed by his retirement, an attempted return, and a proper farewell on the iconic 1992 Olympic Dream Team. Longtime biographer Roland Lazenby spent years tracking the unlikely ascension of Johnson, an immensely popular public figure who was instantly scandalized but who then turned to his legendary will to rise again as a successful entrepreneur with another level of hard-won success. In Lazenby's portrayal, Johnson's tale becomes bigger than that of one man. It is a generational saga spanning parts of three centuries that reveals a great deal not just about his unique basketball journey but about America itself. Through hundreds of interviews with Johnson's coaches, representatives, past and present teammates, opponents, friends, and loved ones, as well as key conversations with Johnson himself over the years, Lazenby has produced the first truly definitive study, both dark and light, of Earvin Magic Johnson Jr., the revolutionary player, the icon, the man.

Energy and Water Development Appropriations for Fiscal Year ... United States. Congress. Senate. Committee on Appropriations. Subcommittee on Energy and Water Development, 2004.

Sports, Media, and Society Kevin Hull, 2024-03-26. Whether espoused by sports leagues, teams, or individual athletes, social issues are part of the sporting world fabric. The sports media often plays the gatekeeper, deciding how messages are presented and to what extent they're covered, if at all. *Sports Media and Society* investigates the impact of societal issues in sports and how the media reports those stories. Why does the sports media operate in the manner that it does, and what's the impact of its decisions on the audience? With *Sports Media and Society*, there is now a resource that combines mainstay class discussion points, current case studies, and theoretical and historical foundations in one comprehensive text. The book's 34 chapters are each short and concise, a format preferred by instructors, covering a wide range of topics and easily digestible for students. Part I covers sports media history and the media's role as gatekeeper.

Chapters explore the history and evolution of various media newspapers magazines radio television and social media and the business of and competition between sports media entities Case studies examine NBC s Olympics coverage and the nimbleness of Sports Illustrated in the digital space Part II showcases television s impact on how fans follow sports Discussions include ABC s Wide World of Sports which exposed viewers to events around the globe ESPN s foray into 24 7 sports coverage and Fox Sports shocking NFL deal which marked a new era in media rights negotiations and sports broadcasting technologies The intersection of sports and social issues is the focus of part III Numerous issues are addressed punctuated by case studies involving key players and events related to each topic Cases concerning Colin Kaepernick USWNT and coverage of women s sports generally LGBTQ issues and obstacles faced by women working in sports media are highlights while examinations of social identity theory and framing provide context on how people identify with specific groups and how the media influences opinions Athletes and sport entities are constantly in the news not always in a positive light Part IV addresses crisis management and communication featuring case studies about Tiger Woods Lance Armstrong LeBron James The Decision Kobe Bryant his death and the misreporting of facts surrounding it and the Houston Astros sign stealing scandal The text concludes with part V which explores emerging trends in sports media and society Through social media virtually anyone can become a thought leader wresting control from traditional outlets and teams and athletes can dialogue directly with fans effectively sidelining sports journalists Chapters on the formerly taboo subjects of athlete mental health and sports wagering as well as the exploding popularity of esports round out the text Sports shape our culture in numerous ways and the sports media plays a transformative role in how it occurs Sports Media and Society prepares tomorrow s sports journalists and communicators to venture beyond the how tos of developing content to understanding the whys behind it

107-2 Senate Hearings: Energy and Water Development Appropriations, For Fiscal Year 2003, S. Hrg. 107-901, March 8, 2002, *, 2003 **George Allen** Michael Richman, 2023-11 George Allen was a fascinating and eccentric figure in the world of football coaching His remarkable career spanned six decades from the late 1940s until his sudden death in 1990 at the age of seventy three Although he never won a Super Bowl he never had a losing season as an NFL head coach and was inducted into the Pro Football Hall of Fame in 2002 In George Allen A Football Life Mike Richman captures the life and accomplishments of one of the most successful NFL coaches of all time and one of the greatest innovators in the game A player s coach Allen was a tremendous motivator and game strategist as well as a defensive mastermind and is credited with making special teams a critical focus in an era in which they were an afterthought He had a keen eye for talent and pulled off masterful trades often

for veteran players who were viewed to be past their prime who then had great seasons and made his teams much better In addition to his coaching feats Allen had an idiosyncratic and controversial personality His life revolved around football 24 7 One of his quirks was to minimize chewing time by consuming soft foods giving himself more time to prepare for games and study opponents He lived and breathed football he compared losing to death Allen had contentious relationships with the owners of the two NFL teams for which he was the head coach the Washington Redskins and Los Angeles Rams Richman explores why he was fired by those teams and whether he was blackballed from coaching again in the NFL Based on detailed research and interviews with family former players and coaches George Allen is the definitive biography of the football coach who lived to win loved a good challenge and left a lasting legacy on pro football history **Practical SQL, 2nd Edition**

Anthony DeBarros,2022-01-25 Analyze data like a pro even if you re a beginner Practical SQL is an approachable and fast paced guide to SQL Structured Query Language the standard programming language for defining organizing and exploring data in relational databases Anthony DeBarros a journalist and data analyst focuses on using SQL to find the story within your data The examples and code use the open source database PostgreSQL and its companion pgAdmin interface and the concepts you learn will apply to most database management systems including MySQL Oracle SQLite and others You ll first cover the fundamentals of databases and the SQL language then build skills by analyzing data from real world datasets such as US Census demographics New York City taxi rides and earthquakes from US Geological Survey Each chapter includes exercises and examples that teach even those who have never programmed before all the tools necessary to build powerful databases and access information quickly and efficiently You ll learn how to Create databases and related tables using your own data Aggregate sort and filter data to find patterns Use functions for basic math and advanced statistical operations Identify errors in data and clean them up Analyze spatial data with a geographic information system PostGIS Create advanced queries and automate tasks This updated second edition has been thoroughly revised to reflect the latest in SQL features including additional advanced query techniques for wrangling data This edition also has two new chapters an expanded set of instructions on for setting up your system plus a chapter on using PostgreSQL with the popular JSON data interchange format Learning SQL doesn t have to be dry and complicated Practical SQL delivers clear examples with an easy to follow approach to teach you the tools you need to build and manage your own databases Microsoft SQL Server employs a variant of the language called T SQL which is not covered by Practical SQL *Construction Safety, Health and Well-being in the COVID-19 era* Patrick Manu,Clara Cheung,Akilu Yunusa-Kaltungo,Fidelis Emuze,Tarcisio Abreu Saurin,Bonaventura H. W. Hadikusumo,2023-09-12 This edited book presents a significant and timely contribution to our understanding of a broad range of issues pertaining to COVID 19 and its relationship to occupational safety health and well being OSHW in the global construction industry The editors first introduce the industry and its poor OSHW history before highlighting some of the broader impacts of the pandemic on the sector The book is then divided into two sections Section One focuses on the

management of COVID 19 transmission risk It captures insights practices technologies and lessons learned in relation to what has and is being done to prevent or mitigate the risk of COVID 19 transmission among the construction workforce Construction Safety Health and Well being in the COVID 19 Era also details case studies lessons and best practices for managing sites and workforces when infections inevitably do occur Section Two brings together international chapters discussing the impacts of COVID 19 on the OSHW of the construction workforce both on and off site as well as the management of those impacts Furthermore this presents implications of the pandemic at the short medium and long term for other performance measures of construction projects such as cost schedule quality and most importantly how the pursuit non pursuit of such performance measures have impacted will impact the OSHW of construction workers and professionals in the industry This book addresses the gap in literature by offering global perspectives on the OSHW impacts and implications of COVID 19 in the construction industry and will help its wide readership including construction industry organisations professionals researchers government bodies policy makers and students to understand a broad suite of issues pertaining to COVID 19 and its relationship to OSHW in construction *Madonna* Mary Gabriel,2023-10-10 New York Times Editors Choice One of NPR s Best Books of the Year In this infinitely readable biography award winning author Mary Gabriel chronicles the meteoric rise and enduring influence of the greatest female pop icon of the modern era Madonna People Magazine With her arrival on the music scene in the early 1980s Madonna generated nothing short of an explosion as great as that of Elvis or the Beatles taking the nation by storm with her liberated politics and breathtaking talent Within two years of her 1983 debut album a flagship Macy s store in Manhattan held a Madonna lookalike contest featuring Andy Warhol as a judge and opened a department called Madonna land But Madonna was more than just a pop star Everywhere fans gravitated to her as an emblem of a new age one in which feminism could shed the buttoned down demeanor of the 1970s and feel relevant to a new generation Amid the scourge of AIDS she brought queer identities into the mainstream fiercely defending a person s right to love whomever and be whoever they wanted Despite fierce criticism she never separated her music from her political activism And as an artist she never stopped experimenting Madonna existed to push past boundaries by creating provocative visionary music videos films and live performances that changed culture globally Deftly tracing Madonna s story from her Michigan roots to her rise to super stardom master biographer Mary Gabriel captures the dramatic life and achievements of one of the greatest artists of our time *The Lost Subways of North America* Jake Berman,2023-11-03 A visual exploration of the transit histories of twenty three US and Canadian cities Every driver in North America shares one miserable soul sucking universal experience being stuck in traffic But things weren t always like this Why is it that the mass transit systems of most cities in the United States and Canada are now utterly inadequate The Lost Subways of North America offers a new way to consider this eternal question with a strikingly visual and fun journey through past present and unbuilt urban transit Using meticulous archival research cartographer and artist Jake Berman has successfully plotted maps

of old train networks covering twenty three North American metropolises ranging from New York City's Civil War era plan for a steam powered subway under Fifth Avenue to the ultramodern automated Vancouver SkyTrain and the thousand mile electric railway system of pre World War II Los Angeles He takes us through colorful maps of old often forgotten streetcar lines lost ideas for never built transit and modern rail systems drawing us into the captivating transit histories of US and Canadian cities Berman combines vintage styling with modern printing technology to create a sweeping visual history of North American public transit and urban development With more than one hundred original maps accompanied by essays on each city's urban development this book presents a fascinating look at North American rapid transit systems **Report** California. State Board of Architectural Examiners,1921 Energy and Water Development Appropriations for Fiscal Year 2004 United States. Congress. Senate. Committee on Appropriations. Subcommittee on Energy and Water Development,2004

Appendix to the Journals of the Senate and Assembly California,California. Legislature,1931 **Project Censored's State of the Free Press 2022** Andy Lee Roth,Mickey Huff,2022-01-25 As the United States grapples with the ongoing COVID 19 pandemic the nation's living legacy of systemic racism and partisan threats to the foundations of democracy the integrity of news and Project Censored's survey of underreported news stories has never been more important This 2022 edition of Project Censored's State of the Free Press offers a comprehensive survey of the most important but underreported news stories of 2021 and a comparative analysis of the current state of corporate and independent news media and its effect on democracy The establishment media sustains a decrepit post truth era as examined the lowlight features Junk Food News frivolous stories that distract the public from actual news and News Abuse important stories covered in ways that undermine public understanding The alternative media provokes a burgeoning critical media literacy age as evaluated in the highlight feature Media Democracy in Action relevant stories responsibly reported on by independent organizations Finally in an homage to the history of the annual report the editors reinstate the D j vu News feature revisited stories from previous editions State of the Free Press 2022 endows readers with the critical thinking and media literacy skills required to hold the corporate media to account for distorting or censoring news coverage and thus to revitalize our democracy State of the Free Press 2022 is a joint production of The Censored Press and Seven Stories Press

California's Recall Election of Gavin Newsom Larry N. Gerston,Mary Currin-Percival,Garrick L. Percival,2022-08-02 California went through a political earthquake of sorts when the state recalled Governor Gray Davis in 2003 In 2021 the state faced another political turning point with the threatened recall of Governor Gavin Newsom Less than two years after Newsom's overwhelming election victory more than two million Californians signed on to the recall effort hoping to expel him from office in a special election How could such a monumental turnabout be possible Normally the political headwinds would be much too strong for a movement to oust a governor who had decisively vanquished his opponent But with the COVID 19 pandemic dominating every aspect of society including politics these weren't normal times Organizing a recall election is a

demanding enterprise it takes abundant political energy tremendous amounts of anger with the status quo and mounds of money Yet for the second time in less than two decades such wheels were set in motion What is it that makes California so dynamic yet so fragile This book explains that paradox and in the process enlightens readers about the recall process the challenges of federalism and the pitfalls of direct democracy It examines the underlying conditions that expose a state with poorly linked institutions a bitterly divided society and a governor who had to act under nearly impossible conditions demonstrating his strengths and vulnerabilities along the way It s a story that could happen only in California a state with a history of only stories Designed to be useful in a variety of college courses this book is the first to unveil the Newsom backstory and will appeal to pundits and politicians as well as interested general readers **Newswork and Precarity**

Kalyani Chadha,Linda Steiner,2021-12-30 This edited collection brings together leading scholars from around the world to discuss the consequences and implications of precarious labor conditions within the modern news industry In 14 original chapters contributors address global concerns in journalism across all platforms based on the assumption that unstable employment conditions affect the extent to which journalists can continue to play their historically crucial role in sustaining democracies Topics discussed include work conditions for freelancers and entrepreneurial journalists as well as the risks facing conflict reporters precarity in media start ups unionization and other collective efforts policies regulating journalistic labor around the world and the impact of hedge fund money on newswork Drawing on case studies and data from South America Africa the United States Canada Mexico the United Kingdom and continental Europe the book highlights how media outlets are forcing newswriters to work harder for less money and few countries are proactive in alleviating the precarity of journalists Newswork and Precarity is a valuable addition to an important still emerging area in journalism studies that will be of interest to both professionals and scholars of journalism media studies sociology and labor history Opera for Everyone Megan Steigerwald Ille,2024-04-15 Opera for Everyone The Industry s Experiments with American Opera in the Digital Age draws on seven years of multi sited ethnography to examine the acclaimed experimental productions of Los Angeles based opera company The Industry Steigerwald Ille understands The Industry s productions as part of an emerging wave of U S operas that integrate new media and interactive performance through means such as site specificity and simulcast video and then traces the company s path from Crescent City 2012 the company s first production to Sweet Land 2020 the company s final production before switching to a new production model Steigerwald Ille argues that by moving opera outside of the opera house The Industry s productions expose the economic and aesthetic structures key to the circulation of operatic performance at the same time that they deploy opera as a tool for digital listening community engagement popular entertainment and commentary on systemic racism and settler colonialism Through ethnographic work with The Industry s creators and performers and close examination of the company s first decade of work this book reveals how The Industry paradoxically provides both a roadmap and boundary line for experimental and traditional companies

trying to find new ways to approach operatic performance in the twenty first century United States
