14-day Wedding Planner with Internet Guide Don Altman, Sanda Altman, 1999 Los Angeles CA June 23 1999 Wedding planning has finally come of age the computer age that is A dream wedding can be planned almost entirely over the Internet according to Don and Sanda Altman authors of a new book 14 Day Wedding Planner With Internet Guide Published by Los Angeles based Moon Lake Media it is the first book that shows how to use the Internet to plan a wedding The book which also features a unique theme wedding planner streamlines the planning process good news for today s time challenged and stressed out working brides and grooms Unlike author Don Altman s first book 201 Unique Ways to Make Your Wedding Special this new one was developed out of necessity Like any busy career oriented couple getting married he says we found ourselves fighting the clock Our careers

and family obligations seemed to absorb every available second leaving us with little time or energy for the myriad of wedding decisions we had to make 14 Day Wedding Planner With Internet Guide saved our sanity and helped us create the dream wedding we always wanted faster stress free and for less than we ever imagined 14 Day Wedding Planner With Internet Guide follows along with a basic wedding calendar A Web Tips and Internet Guide located at the end of each chapter makes it easy to find Web sites and resources relating to a chapter s particular theme and planning tasks Included are tools for wedding budgeting shared planning calendars for the bride and groom online sources for thousands of different gowns online etiquette advice a host of online announcement and bridal registry options online wedding music and DJs limousines tips on using the Internet to find local caterers and florists honeymoon and travel planning tools and Internet price comparisons There are even handy time saver sites such as a nationwide marriage license finder site and sites that can print out a free map of your wedding reception in just seconds While the Internet can save wedding planners a vast amount of time energy and even money 14 Day Wedding Planner With Internet Guide features a unique theme planning system that makes planning easier even without using the Internet What really makes the book special says Altman is the approach that gives each chapter or planning stage a central theme So instead of organizing a number of disconnected items you can focus on related things For example we have a chapter for planning all the mood setting elements such as crafting the ceremony and choosing the music and invitations Working on all these things together gives you a better idea of the big picture of what you re trying to create That s a big benefit One chapter you put on your creative hat another chapter your shopping hat and so on Not only is this more fun but it makes sense and it helps you focus and accomplish your goals with greater purpose productivity creativity and vision There s no other wedding planner like it The authors used it to plan their own wedding a complete event for nearly 100 guests that included separate ceremony and reception sites with extensive floral arrangements and live music photography videography a three tiered cake a candle light ceremony and reception a stretch white limo and more Altman points out that his entire wedding was put together in no more than a total of 14 days unconsecutively Still he advises that planners think in terms of planning stages rather than days which can stretched over a period of months or even a year Either way you ll save on stress and time he says Did his own wedding go off without a hitch Well almost says Altman until the photographer got totally lost and nearly didn t make it to the ceremony

Los Angeles Wedding Planner Introduction

In today's digital age, the availability of Los Angeles Wedding Planner books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Los Angeles Wedding Planner books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Los Angeles Wedding Planner books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Los Angeles Wedding Planner versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Los Angeles Wedding Planner books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Los Angeles Wedding Planner books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Los Angeles Wedding Planner books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Los Angeles Wedding Planner books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Los Angeles Wedding Planner books and manuals for download and embark on your journey of knowledge?
