Ainslie,2013-04-01 A deeply reported razor sharp up close account of the Great Drug War Absolutely courageous in its fairness and search for answers William Booth Washington Post Bureau Chief for Mexico Central America and the Caribbean The city of Juárez is ground zero for the drug war that is raging across Mexico and has claimed close to 60 000 lives since 2007 Almost a quarter of the federal forces that former President Felipe Calderón deployed in the war were sent to Juárez and nearly twenty percent of the country's drug related executions have taken place in the city a city that can be as unforgiving as the hardest places on earth It is here that the Mexican government came to turn the tide Whatever happens in Juárez will have lasting repercussions for both Mexico and the United States Ricardo Ainslie went to Juárez to try to understand what was taking place behind the headlines of cartel executions and other acts of horrific brutality In The Fight to Save Juárez he takes us into the heart of Mexico's bloodiest city through the lives of four people who experienced the drug war from very different perspectives Mayor Jos Reyes Ferriz a mid level cartel player's mistress a human rights activist and a photojournalist Ainslie also interviewed top

Mexican government strategists including members of Calderón's security cabinet as well as individuals within US law enforcement. The dual perspective of life on the ground in the drug war and the big picture views of officials who are responsible for the war's strategy creates a powerful intimate portrait of an embattled city, its people, and the efforts to rescue Juárez from the abyss.
