## Los Banos Raid:

**The Los Baños Raid** E. M. Flanagan, 1986      *The Los Banos Prison Camp Raid* Gordon L. Rottman, 2011-10-20 On the southwest shore of Laguna de Bay in the Philippines stood the Los Banos Internment Camp. Held within were 2 147 starving POWs surrounded by thousands of Japanese troops. As the desperate battle for Manila raged, only 130 Paratroopers could be spared for the rescue operation. Supported by Alamo Scouts, local guerrillas, and amphibious tractors, they seized the element of surprise and rescued the POWs. It was a stunning triumph of courage and perfect timing in the face of overwhelming odds.

**Rescue at Los Baños** Bruce Henderson, 2024-03-19 From the New York Times bestselling author of *Sons and Soldiers* comes the incredible true story of one of the greatest military rescues of all time. In February 1945, as the US victory in the Pacific drew nearer, the Japanese army grew desperate, and its soldiers guarding U.S. and Allied POWs more sadistic. Starved, shot, and beaten, many of the 2 146 prisoners of the Los Baños prison camp in the Philippines—most of them American men, women, and children—would not survive much longer unless rescued soon. Deeply concerned about the half-starved and ill-treated prisoners, General Douglas MacArthur assigned to the 11th Airborne Division a dangerous rescue mission deep behind enemy lines that became a deadly race against the clock. The Los Baños raid would become one of the greatest triumphs of that war, or any war, hailed years later by Chairman of the Joint Chiefs of Staff General Colin Powell. I doubt that any airborne unit in the world will ever be able to rival the Los Baños prison raid. It is the textbook operation for all ages and all armies. Combining personal interviews, diaries, correspondence, memoirs, and archival research, *Rescue at Los Baños* tells the story of a remarkable group of prisoners whose courage and fortitude helped them overcome hardship, deprivation, and cruelty, and of the young American soldiers and Filipino guerrillas who risked their lives to save them. Riveting. Readers will be both shocked by the conditions that POWs had to endure and appreciative of the bravery and ingenuity of that generation we have come to call the greatest. *The Washington Post*

*The Los Banos Raid* E. M. Flanagan, 1987 Here is the incredible true account of the 11th Airborne's daring rescue of 2 000 POWs from behind Japanese lines. Previous publisher: Presidio Press.

**The Los Banos Raid** Edward M. Flanagan, Jr., 1992-10-01      **Angels at Dawn** Edward M. Flanagan, Jr., 2002-06-14 Originally published as *The Los Baos Raid*, *The 11th Airborne Jumps at Dawn* this book recounts the complete story of a raid conducted in the last days of World War II on the Los Baos Japanese internment camp, which was located 25 miles behind enemy lines and held over 2 000 civilian POWs. July      **Blossoming Silk Against the Rising Sun** Gene Eric Salecker, 2010-08-17 Complete account of airborne operations in the Pacific theater. Firsthand descriptions from American and Japanese paratroopers. Detailed maps illustrate battles.      **Angels Against the Sun** James M. Fenelon, 2023-04-18 The Pacific theater of World War II pitted American fighting men against two merciless enemies: the relentless Japanese army and the combined forces of monsoons, swamps, mud, privation, and disease. General Joseph Swing's rowdy paratroopers of the 11th Airborne Division, nicknamed the Angels, fought in some of the war's most dramatic campaigns, from bloody skirmishes in

Leyte's unforgiving rainforests to the ferocious battles on Luzon including the hellish urban combat of Manila. The Angels were trained as elite shock troops but high American casualties often forced them into action as ground pounding infantrymen. Surviving on airdropped supplies and reinforcements the Angels fought their way across nearly impassable terrain emerging as one of the most lethal units in the Pacific War. Their final task was the occupation of Japan where they were the first American boots on the ground. Angels Against the Sun is an unforgettable account of the liberation of the Philippines. In the tradition of Band of Brothers, historian and former paratrooper James M. Fenelon offers a grunt's eye view of the war. From book jacket **We Survived War's Crucible** Donald P. Smith, 2007-12-26 WE SURVIVED WARS

**CRUCIBLE** A true Story of Imprisonment and Rescue In World War II Philippines. A large pit is ready for the mass execution of 2,147 prisoners in the Los Baos concentration camp. At dawn paratroopers of the 11th Airborne drop from the sky. Filipino guerillas overpower Japanese guards. During the night fifty four amphibious tractors have crossed the large lake around Japanese lines. They arrive and take all the prisoners to safety. It is one of the most perfectly executed rescues of World War II. That is but the climax of the exciting story. Stephen Smith tells of his captivity in the Philippines with his wife Viola and teenage son Paul. It begins as he enters Manila Bay on a Coast Guard cutter while bombs are dropping and sunken ships are still burning. The family lives under house arrest by the Japanese Army in Manila for two and one half years. With no connections to banks in the U.S. Stephen must find enough money to buy food for 70 fellow missionary prisoners. Daring young Paul gets a big bang out of celebrating the fourth of July right in front of his armed Japanese captors. A hardened Japanese veteran of Manchuria, China and Bataan reveals his hidden humanity. While others are being beheaded in Fort Santiago a Japanese guard risks his own life to spare the life of a Filipino friend. At risk of his life Stephen provides an American flag to a Filipino guerilla for use in signaling American submarines. In all this struggle how can the Smiths find the physical, emotional and spiritual resources to survive the crucible of war. This book tells how. **Captured** Frances B. Cogan, 2012-03-15. More than five thousand American civilian men, women and children living in the Philippines during World War II were confined to internment camps following Japan's late December 1941 victories in Manila. **Captured** tells the story of daily life in five different camps, the crowded housing, mounting familial and international tensions, heavy labor and increasingly severe malnourishment that made the internees' rescue a race with starvation. Frances B. Cogan explores the events behind this nearly four year captivity, explaining how and why this little known internment occurred. A thorough historical account, the book addresses several controversial issues about the internment including Japanese intentions toward their prisoners and the U.S. State Department's role in allowing the presence of American civilians in the Philippines during wartime. Supported by diaries, memoirs, war crimes transcripts, Japanese soldiers' accounts, medical data and many other sources, **Captured** presents a detailed and moving chronicle of the internees' efforts to survive. Cogan compares living conditions within the internment camps with life in POW camps and with the living conditions of Japanese soldiers late in the war. An afterword

discusses the experiences of internment survivors after the war combining medical and legal statistics with personal anecdotes to create a testament to the thousands of Americans whose captivity haunted them long after the war ended
