from Cabin 14...and other exotic places Harold Ball, 2015-02-01 Tales from Cabin 14 is not your average or same old same old collection of fishing and outdoors stories Naturalist and philosopher Henry David Thoreau best summed up the theme behind the Cabin 14 stories when he said Many men go fishing all of their lives without knowing that it is not the fish they are after While the actual catch is featured from time to time and there are some pretty impressive catches these stories focus primarily on the places where fish congregate and the many characters I have met along the way who have done so much to define and shape my personal experiences So pull a chair up beside the fire and enjoy your visit to Cabin 14
