Lovell,2022-11-03 The idea for this book of limericks came about pretty much out of nowhere one day while lunching with several good buddies Thanks Carl Ed Richard et al We all had reminiscences about life in general and our experiences growing up and in our work I was surprised how often my memories came out in a rhyme Throughout the course of writing these limericks I found that many of them popped into my head at bedtime or upon rising in the morning They cover all aspects of life both humorous and words to live by It is my hope that they will provide humor to some and inspiration to others One note of caution the first names used in my limericks are not meant to reflect upon any family member or acquaintance I dedicate this book to my big sister Loma my mother who passed away in 1999 and several siblings and cousin Garth who in one way or another prompted me to publish this book **Breaking the Spell** Daniel C. Dennett,2006-02-02 The New York Times bestseller a crystal clear constantly engaging Jared Diamond exploration of the role that religious belief plays in our lives and our interactions For all the thousands of books that have been written about religion few until this one have attempted to examine it scientifically to ask why and how it has shaped so many lives so strongly Is religion a product of blind evolutionary instinct or rational choice Is it truly the best way to live a moral life Ranging through biology history and psychology Daniel C Dennett charts religion s evolution from wild folk belief to domesticated dogma Not an antireligious screed but an unblinking look beneath the veil of orthodoxy Breaking the Spell will be read and debated by believers and skeptics alike **Thrillers** John Fraser,2015-04-29 After years of intellectual nourishment from thrillers along with the delights of suspense Fraser explores the thought processes of representative thriller characters coping with high tension situations that require intelligent problem solving and bring their values into a sharper focus With alert empathy he follows Jack Carter as he hunts down his brother s killers in Ted Lewis s masterpiece Jack s Return Home a kind of dark English Gatsby suffers along with violence averse Rae Ingram coping alone on a small yacht with a dangerous paranoid in Dead Calm a philosophical thriller by that fine Gold Medal novelist Charles Williams and gives a lot of attention to Donald Hamilton s young professional men entangled with enigmatic young women in pre Helm works like The Steel Mirror 1948 where he was
