A Vicious Cycle Justin Witte, 2003 This book is about my relationship with another addict I am an alcoholic and I have used every drug there is People told me at times in my life that I was incapable of getting sober but I eventually did but this book is about how I was just as powerless over another person as I was over my own drinking I was an extremely hostile person for a big part of my life and I was someone who could either be extremely loving or extremely cruel My cruelty was all with my words I have had doctors and psychiatrists ask me how I think of the insults that I think of but this book is about my definition of love wanting the best for someone and taking the necessary steps to carry that out and because of what I learned in this story I try and practice that with everyone today
