Mystery At Deep Ravine Jake Montana:

Jake Montana James Pirone, Paula Sweeney, 1996-08 Jake Montana is transported back to the Battle of Little Bighorn

Mystery at Deep Ravine James Pirone, Paula Sweeney, 1996-11 One of Jake's classmates Byron Markham hates Indians. His great-great-grandfather, a soldier with Colonel George Armstrong Custer's Seventh Cavalry, died at the hands of the Sioux Indians in the Battle of the Little Bighorn. Byron's secret trouble is that his great-great-grandfather's body, along with 27 others, was never found to prove that he was not a deserter. While continuing mind expansion experiments with Dr. Carolyn Kramer and her daughter Pamela, Jake is transported back to Custer's famous battle. He discovers a clue that might answer the riddle of the missing 28. Jake doesn't know that computer whiz Byron is plotting to use Jake's power to answer the Markham family's puzzle and that he is willing to risk Jake's life to do it. Byron convinces Jake to use his power, then following his computer-captured clues, Jake, Byron, and Pamela sneak off to find an abandoned mine. While digging, they cause a cave-in. Pamela is thrown clear but is disoriented. Jake and Byron are trapped, and Byron is seriously hurt, with only Jake to rely on to keep them both alive until help arrives.

[Montana Mountain Mysteries](#) B.J. Daniels, 2018-05-14 Set aside some time to spend at Winchester Ranch and read these two thrilling classics from New York Times bestselling author B.J. Daniels.

GUN SHY BRIDE The discovery of human bones not far from the Winchester Ranch rocked the small town and its Deputy Sheriff McCall Winchester. The grave held answers to questions that had long haunted her, and nothing would stop her from getting them, not even the return of Luke Crawford. Luke wasn't about to be pushed out of McCall's life again. Not when she needed him the most. The blue-eyed boy was now a devastating cowboy who knew what he wanted, and that was to keep McCall safe. Not an easy thing to do when her investigation stirred up a hornet's nest of trouble. But nothing would stop him from taking this Winchester as his bride.

HITCHED Following a trail of secrets back to his family ranch, Jack Winchester needed a cover to solve a decades-old mystery. And Josey Smith offered him the perfect one if she would agree to pose as his wife for a week. The gorgeous redhead was up to her neck in trouble, and Jack protected what was his pretend marriage or not. On the run from a killer, Josey had no choice but to accept Jack's proposal. While she no longer trusted herself to tell the good guys from the bad, the handsome blue-eyed cowboy made her feel safe. But it soon became apparent that the sparks that flew between them were anything but fake, and that the danger they faced was all too real.

Archaeological Perspectives on the Battle of the Little Bighorn Melissa A. Connor, Douglas D. Scott, Dick Harmon, Richard A. Fox, 2013-05-01 Ever since the Custer massacres on June 25, 1876, the question has been asked: What happened? What REALLY happened at the Battle of the Little Bighorn? We know some of the answers because half of George Armstrong Custer's Seventh Cavalry, the men with Major Marcus Reno and Captain Frederick Benteen, survived the fight, but what of the half that did not—the troopers, civilians, scouts, and journalist who were with Custer? Now, because a grass fire in August 1983 cleared the terrain of brush and grass, and

made possible thorough archaeological examinations of the battlefield in 1984 and 1985 we have many answers to important questions On the basis of the archaeological evidence presented in this book we know more about what kinds of weapons were used against the cavalry We know exactly where many of the men fought how they died and what happened to their bodies at the time of or after death We know how the troopers were deployed what kind of clothing they wore what kind of equipment they had how they fought Through the techniques of historical archaeology and forensic anthropology the remains and grave of one of Custer s scouts Mitch Boyer have been identified And through geomorphology and the process of elimination we know with almost 100 percent certainty where the twenty eight missing men who supposedly were buried en masse in Deep Ravine will be found

The Cowboy Meets His Match Meagan Mckinney, 2011-06-20 Ride horseback through dangerous Montana high country with infuriating AJ Clayburn as her guide Fine if that would help reporter Jacquelyn Rousseau get her story and prove to the rugged rodeo champ she was anything but an uppity debutante A few close calls later the heat blazing in AJ s eyes looked less like ire and a lot more like passion Still a match between a cantankerous cowboy and a prim Southern belle As likely as snow in August Until a late summer blizzard gearing up to strand AJ and Jacquelyn in the mountains had them thinking about today tomorrow and forever
