

Setting

Are you part of a story right now? Where are you? What year is it? What is the season? Is it in the morning or afternoon? All of these questions are related to the **setting** of a story. If you are in school, the setting is probably the classroom. It may be morning or afternoon.

WHAT IS THE SETTING?

The place a story takes place.

- Places can be indoors or outdoors. Real or imaginary.
- Home, in a car, boat, on a mountain or anywhere.
- Places often change during a story.
- The place a story takes place may help you understand the events.

The time a story takes place.

- When is the story taking place?
- Is it long ago, in the present, or maybe in the future?
- Morning, afternoon, evening?
- What season? Spring, summer, winter or fall?
- The time a story is taking place often changes too.

The Oxford Handbook of National Security Intelligence Loch K. Johnson, 2010-03-12 The Oxford Handbook of National Security Intelligence is a state of the art work on intelligence and national security Edited by Loch Johnson one of the world's leading authorities on the subject the handbook examines the topic in full beginning with an examination of the major theories of intelligence It then shifts its focus to how intelligence agencies operate how they collect information from around the world the problems that come with transforming raw information into credible analysis and the difficulties in disseminating intelligence to policymakers It also considers the balance between secrecy and public accountability and the ethical dilemmas that covert and counterintelligence operations routinely present to intelligence agencies Throughout contributors factor in broader historical and political contexts that are integral to understanding how intelligence agencies function in our information dominated age
