Notes Of A Nervous Man:

Mexican American Mojo Anthony Macías, 2008-11-11 A study of the creation of jazz swing and R B music within the multicultural multiethnic terrain of Los Angeles during and after World War II **Notes and Queries** ,1887 **Six Plays of the Israeli-Palestinian Conflict** Jamil Khoury,, Michael Malek Najjar, Corey Pond, 2018-09-05 A bold and singular collection of six plays by Arab and Jewish playwrights explores the human toll of the Israeli Palestinian conflict The Admission by Motti Lerner Scenes From 70 Years by Hannah Khalil Tennis in Nablus by Ismail Khalidi Urge for Going by Mona Mansour The Victims by Ken Kaissar and The Zionists by Zohar Tirosh Polk Rather than striving to achieve balance and moral equivalency between competing narratives the plays investigate themes of identity justice occupation exile history and homeland with honesty and integrity The plays do not take sides or adhere to ideological orthodoxies but challenge tribalism and narrow definitions of nationalism while varying widely in thematic content dramatic structure and time and place Where politicians and diplomats fail artists and storytellers may yet succeed not in ratifying a peace treaty between Israel and Palestine but in building the sort of social and political connectivity that enables resolution **Scenes from 68* Years** Hannah Khalil, 2016-06-10 What are we doing then Come on lets go all of us lets tell everyone in the street its too late we ve lost all the years of hardship being murdered imprisoned having your homes taken your jobs your fields your olives your ability to move from one place to another everything you have endured has been for nothing They ve won So let s just leave it to them disappear It s what they want You are doing what they want You are an educated young Palestinian man We need you here Stay Scenes from 68 Years is a selection of intertwined vignettes telling the story of ordinary Palestinians at a very human level with mischievous humour It offers snapshots of the routine of life in the shadow of occupation we look into an Israeli household with a rebellious pro Palestinian teenager join a tediously long queue at an Israeli check point and get swept into an absurd act of civil disobedience by Palestinian civilians in a desperate attempt to get worldwide media attention Scenes from 68 Years was selected from 100 scripts by the Arcola Theatre and the play received its world premiere at the Arcola Theatre on 5 April 2016 in a production by Sandpit Arts **Vikramaditya's Throne** Poile Sengupta, 2016-06-17 A young girl s father goes missing A strange old man insists on his storytelling An ancient throne reveals forgotten tales When Upa s father gets kidnapped from the tiny village where he was working she and her mother move to her great grandmother s house in a small town to recover from the shock There the dejected and worried mother and daughter are befriended by an odd looking stranger who insists on telling them stories of King Vikramaditya and his long lost throne As Upa and her mother listen to these magical stories they begin to see the goodness in the people around them and recognize the relevance of the tales of King Vikramaditya in their lives today Funny yet thought provoking Poile Sengupta s retelling of these ancient stories makes them come alive like never before **Notes of the Mexican War, 1846-1848** J. Jacob Oswandel, 2010-07-27 In December 1846 John Jacob Oswandel or Jake as he was often called enlisted in

the Monroe Guards which later became Company C of the First Pennsylvania Volunteer Regiment Thus began a twenty month journey that led Oswandel from rural Pennsylvania through the American South onward to the siege of Veracruz and finally deep into the heart of Mexico Waging war with Mexico ultimately realized President James K Polk s long term goal of westward expansion all the way to the Pacific Ocean For General Winfield Scott the victorious Mexico City campaign would prove his crowning achievement in a fifty three year military career but for Oswandel the grand adventure of our lives was about patriotism and honor in a war that turned this twenty something bowsman into a soldier Notes of the Mexican War 1846 1848 is the quintessential primary source on the Mexican War From Oswandel s time of enlistment in Pennsylvania to his discharge in July of 1848 he kept a daily record of events often with the perception and intuition worthy of a highly ranked officer In addition to Oswandel s engaging narrative Timothy D Johnson and Nathaniel Cheairs Hughes Jr provide an introduction that places Oswandel s memoir within present day scholarship They illuminate the mindset of Oswandel and his comrades who viewed the war with Mexico in terms of Manifest Destiny and they give insight into Oswandel s historically common belief in Anglo Saxon superiority views that would bring about far worse consequences at the outbreak of the American Civil War a dozen years later As historians continue to highlight the controversial actions of the Polk administration and the expansionist impulse that led to the conflict Notes of the Mexican War 1846 1848 opens a window into the past when typical young men rallied to a cause they believed was just and ordained Oswandel provides an eyewitness account of an important chapter in America s history
