every page of the reports which were far ahead of their time when they were produced and remain so even today *Art for Healing* John Diamond, 2011-02-16 In this major statement on art and healing Dr John Diamond reveals his unique approach At its root are the twin concepts of Guidance that everything we do including all creativity is guided from the Spirit World and Matrophilia the love of the mother the ultimate basis of all health These two aspects are exemplified in Paleolithic cave art created by painter shamans for the purpose of healing I can in my mind very clearly see the ancient sufferers twenty or thirty thousand years ago stumbling through the passageways in almost total darkness climbing up and down all sorts of makeshift ladders and suddenly emerging into a cave filled with the most incredible paintings They would be overwhelmed by what had been done through not by the shamans They would become aware of a completely different world the World of Spirit and would see would feel nothing but Matrophilia in the cave And that was its healing Brilliantly integrating an astonishing array of learning from the spiritual to the psychological from ancient oriental art to Jackson Pollock and punctuated throughout by original insights *Art for Healing* offers an entirely new appreciation of art and by extension all human creativity as a modality for holistic health *Medicine and Beyond* John Diamond, 2014-06-14 *Medicine and Beyond* is the first of a three volume milestone collection of writings that confirms Dr Diamond's status as a global pioneer in the field of holistic medicine Originally appearing as newsletters created for health professionals and students under the title *The Diamond Reports* the collection presents his groundbreaking research in holistic health psychiatry acupuncture philosophy spirituality the Arts all bound together by the core concept of Life Energy the Healing Power within This first volume *Medicine and Beyond* contains one hundred of the original articles selected and organized into three sections Life Stories Thoughts from the Clinic and Philosophy It is essential reading for health professionals students of Dr Diamond's work and anyone interested in holistic health The book teems with insights and original findings and will benefit not only those already familiar with Dr Diamond's work but also those new to it His vision of total health which he now calls *The Diamond Path of Life* and which fuses the physical emotional and spiritual aspects of medicine into a coherent whole manifests in practically every page of the reports which were far ahead of their time when they were produced and remain so even today My Painting Guidance John Diamond, 2011-03-05 I have for quite some time felt very strongly that my painting is guided It always seemed not that I was doing it but that it was being done through me Renowned healer Dr John Diamond explores the influence of some of the spirit guides who have inspired his painting Su Shih a Chinese literatus of the Sung Dynasty the great poet painter Wang Wei and the approach of the Japanese *nanga* school A jewel among his writings *My Painting Guidance* is not only compelling in its own right but also offers a profoundly original statement about the very nature of the creative process **Arborophilia** John Diamond, 2011-10-01 I look at trees around me and I understand I feel I Know tree worship John Diamond M D Inspired by his lifelong love of trees *Arborophilia* is a magnificent collection of therapeutic writings by one of the great healers of our age Intensely personal yet accessible in style and ranging from single poetically
