POEM - THE ROAD NOT TAKEN

The Road Not Taken

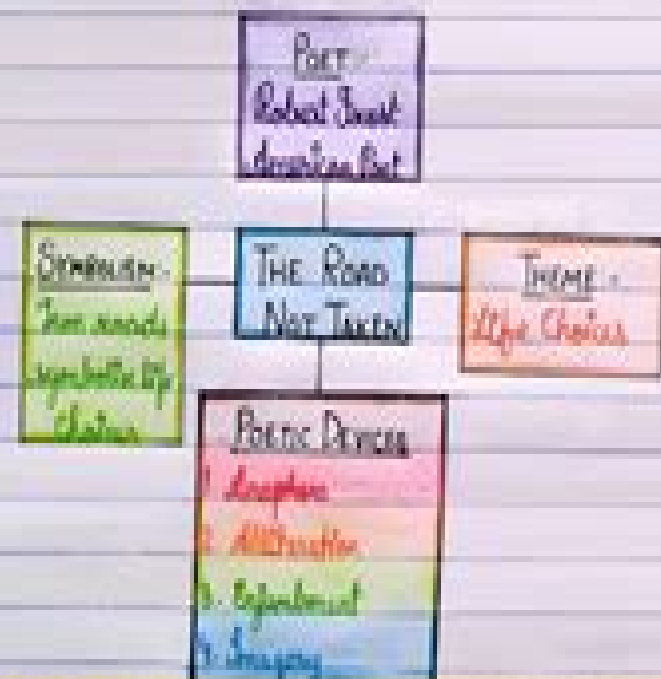

This well-known poem is about making choices, and the choices that shape us. Robert Frost is an American poet who writes simply, but insightfully, about common, ordinary experiences.

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;

Poem: The Road Not Taken
