.....
1819.

Notes On The War In The South With Biographical Sketches

Nathaniel Herbert Claiborne

Notes On The War In The South With Biographical Sketches:

Notes on the War in the South Nathaniel Herbert Claiborne, 1819 **Notes on the War in the South** Nathaniel Herbert Claiborne, 2015-08-04 Excerpt from Notes on the War in the South With Biographical Sketches of the Lives of Montgomery Jackson Sevier the Late Gov Claiborne and Others The following Notes were written while the war was going on They are now published without alteration Had they been written after the war the style and manner of the remarks would have been different as they are they present the feelings of the day to the reader and in that view perhaps are valuable Some few of the numbers were published while the war continued and were erroneously ascribed in the upland country to a writer with whom the author would blush to be compared for he feels his inferiority but such was then the fact in the neighbourhood in which the author now resides The Life of William C C Claiborne has been lately added and is now published at the request of many of that gentleman's political friends The style of this book will not stand the knife of criticism but the feelings under the influence of which it was produced are above the reach even of malice About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Notes on the War in the South; With Biographical Sketches of the Lives of Montgomery, Jackson, Sevier, the Late Gov. Claiborne, and Others* Nathaniel Herbert Claiborne, 2016-05-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **NOTES ON THE WAR IN THE SOUTH** Nathaniel Herbert 1777-1859 Claiborne, 2016-08-29 **Notes on the War in the South** Nathaniel Herbert Claiborne, 1971 *Notes on the War in the South with Biographical Sketches of the Lives of Montgomery, Jackson, Etc* Nathaniel Herbert Claiborne, 1819 **Notes on the War in the South; with Biographical Sketches of the Lives of Montgomery Jackson, Sevier, the Late Gov**

Nathaniel Herbert Claiborne, 1819 *Catalogue of the Library Belonging to Mr. Thomas W. Field to be Sold at Auction, by Bangs, Merwin & Co., May 24th, 1875, and Following Days* Thomas Warren Field, 1875 **Catalogue of the Library Belonging to Mr. Thomas W. Field** Anonymous, 2025-08-21 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Tennesseans at War, 1812-1815 Tom Kanon, 2014-06-14 Tennesseans at War 1812 1815 by Tom Kanon tells the often forgotten story of the central role citizens and soldiers from Tennessee played in the Creek War in Alabama and War of 1812 Although frequently discussed as separate military conflicts the War of 1812 against Great Britain and the Creek War against Native Americans in the territory that would become Alabama were part of the same forceful projection of growing American power Success in both wars won for America security against attack from abroad and vast tracks of new land in the Old Southwest In Tennesseans at War 1812 1815 Tom Kanon explains the role Tennesseans played in these changes and how they remade the south Because it was a landlocked frontier state Tennessee's economy and security depended heavily upon the river systems that traversed the region some like the Tennessee River flowed south out of the state and into Native American lands Tennesseans of the period perceived that gaining mastery of these waterways formed an urgent part of their economic survival and stability The culmination of fifteen years research Kanon's work draws on state archives primary sources and eyewitness accounts bringing the information in these materials together for first time Not only does he narrate the military campaigns at the heart of the young nation's expansion but he also deftly recalls the economic and social pressures and opportunities that encouraged large numbers of Tennesseans to leave home and fight He expertly weaves these themes into a cohesive narrative that culminates in the vivid military victories of the War of 1812 the Creek War and the legendary Battle of New Orleans the victory that catapulted Tennessee's citizen soldier Andrew Jackson to the presidency Expounding on the social roles and conditions of women slaves minorities and Native Americans in Tennessee Kanon also brings into focus the key idea of the home front in the minds of Tennesseans doing battle in Alabama and beyond Kanon shows how the goal of creating strengthening and maintaining an ordered society permeated the choices and actions of the American elites on the frontiers of the young nation Much more than a history of Tennesseans or the battles they fought in Alabama Tennesseans at War 1812 1815 is the gripping story of a pivotal turning point in the history of the young American republic
