Nothing Grows By Moonlight European Women Writers:

Nothing Grows by Moonlight Torborg Nedreaas, 2025-03-06 It's fantastic it's incredible Pedro Almodóvar A hauntingly beautiful unforgettable Norwegian classic ripe for discovery In the blue dusk of a spring evening a man is drawn to a lonely beautiful stranger across a station platform She follows him home and over one heady night of wine and cigarettes recounts to him the devastating story of her life First published in 1947 Nothing Grows by Moonlight tells the haunting tale of one woman's soul shattering love affair When an obsessive passion for her high school teacher consumes a small town seventeen year old her life spirals out of control giving way to pregnancy poverty and alienation Here darkness and light converge and unrequited love blooms against the shadows of societal injustices as she fights for autonomy over her life her mind and her body Captivating visceral and brimming with emotion Nothing Grows by Moonlight is a feminist classic of Scandinavian literature and an uncompromising ode to female desire *Woman to Woman* Marguerite Duras, 1987-01-01 Conversations between two French writers cover woman's social position in Western culture erotic desire language and feminism

Dangerous Virtues Ana María Moix, 1997-01-01 Five short stories by a Spanish writer The title story is on two women communicating by staring while The Dead is on an unhappy wedding anniversary and index **Memoirs of Leticia Valle** Rosa Chacel, 1994-01-01 The memoir of a precocious Spanish girl At the age of 11 a woman friend of her father is so charmed by her she suggests her husband tutor the girl Whereupon the girl seduces the husband The book was published in 1945 in Spain and this is its first appearance in English **Hitchhiking** Gabriele Eckart, 1992-01-01 beneath East Berlin's television tower of opportunists and go getters of simple people who find their idyllic weekend niches amid the gray everyday work routine of others who with their eyes fixed on money trudge between construction site bar and boarding house of gaunt functionaries and lovable old fashioned elderly ladies Authentic sketches with delicate strokes concise to the point It is difficult to conceive of a greater contrast to the official *Maria Zef* Paola Drigo, 1989-01-01 Orphaned Maria fourteen and her younger sister go to live in their uncle's primitive mountain cabin **The Tongue Snatchers** Claudine Herrmann, 1991-01-01 Claudine Herrmann became famous in France with the publication of *Les Voleuses de langue* in 1976 Her much quoted book is now recognized as a modern classic of feminist literary criticism Nancy Kline's welcome English translation captures the clarity and passion of observations that go beyond books to boudoirs and boardrooms Herrmann charges that language is the fundamental means by which women are oppressed Their education forces them to parrot masculine discourse often gets them dismissed as chatterboxes and silences their real lives Women who desire to express themselves creatively are obliged to steal language or to invent one of their own Based on readings of major texts in literature philosophy and the social sciences The Tongue Snatchers illuminates how men and women differ in their experiences of words work space time love and sexuality **On Our Own Behalf** Kathleen McNerney, 1988-01-01 Stories deal with adolescence education marriage aging friendships and life in post France Spain *Concert* Else

Lasker-Sch_ler,1994-01-01 Concert was one of the last books published by a Jew in Germany before Hitler came to power The work is autobiographical a collection of essays and vignettes that both entertain and engage the reader at a deeper level Like Robert Schumann s piano suites each in itself a perfect concert Else Lasker Sch_ler s Concert contains pieces that vary greatly in theme mood length and complexity yet they are unified by the medium and by the distinct and lyrical personality of the artist Lasker Sch_ler is able to transform and transcend the everyday scenery and events that are her points of departure She makes magical an unmagical corner of Germany discerns the miraculous in the neglected and ignored and finds wisdom and comfort in prayer and cosmic perspective Lsker Sch_ler was attuned to the world and in some ways uncannily prophetic It may come as a surprise to some readers that Concert published in German in 1932 contains a warning about the climatic dangers of interfering with the merry green leaf people who give us ozone and the breath of life With her respect for the natural environment and her emphasis on spiritual development rather than the materialistic Lasker Sch_ler s voice re mains relevant to our own times A recent German edition of her complete works has proven immensely popular Prior to the Third Reich Lasker Sch_ler had a well established reputation in her native Germany as a poet dramatist and prose writer as well as for her work in the visual arts and she received the Kleist Prize for Literature As a Jew though she was increasingly threatened by people wearing swastikas and was forced to flee the country in 1933 never to return She died in exile in Palestine in 1945 This is the first English translation of any of Lasker Sch_ler s prose a challenging task because she includes sections in dialect poems numerous neologisms witty alterations of German sayings and structural emulations with phonetic echoes of famous German art songs
